Everyone's An Artist (or At Least They Should Be) Ron Tite, Scott Kavanagh, Christopher Novais, 2016-09-20

Can a Canali clad million dollar banker learn anything from a paint stained artist Definitely Especially now Clearly succeeding in business is an art form We ve informally labelled activities and pursuits as the art of management the art of marketing or even the art of doing more with less but we ve rarely made the direct connection between the two worlds With a rapidly changing digital economy new and emerging technologies increased clutter and a drastically altered media landscape successful companies are those that are original creative and innovative Defining business as art is now a credible school of thought and the lessons are far more practical than philosophical Everyone s an Artist shows how and why the most successful executives and entrepreneurs think like artists
