Race in American Sports James L. Conyers, Jr.,2014-05-21 These essays critically examine the issue of race in college and professional sports beginning with the effects of stereotypes on black female college athletes and the self handicapping of black male college athletes Also discussed is the movement of colleges between NCAA designated conferences and the economic impact and effects on academics for blacks An essay on baseball focuses on changes in Brooklyn during the Jackie Robinson years and another essay on how the Leland Giants became a symbol of racial pride Other essayists discuss the use of American Indian mascots the Jeremy Lin spectacle surrounding Asians in pro sports the need to hire more NFL coaches of color and ideals of black male masculinity in boxing Instructors considering this book for use in a course may request an examination copy here

**The First America's Team** Bob Berghaus,2011-10-18 The 1962 Green Bay Packers are still considered one of the most successful teams in the history of the National Football League This book examines how the team was built exploring how four of the five assistants on Lombardi s coaching staff went on to become head coaches The team was rich with personalities from the glamour conscious Hournung to the emotional Nitschke to the determined Starr Of course the strongest personality of all was Lombardi who shaped these many unique individuals and talents into a team that changed the game forever The Packers of this era won five championships in seven years including the first two Super Bowls creating a dynasty in the smallest market in professional sports Despite playing in little Green Bay the players on Lombardi s team became national heroes
