Prime Big Deals Macbook This Month:

The First \$100k Louise Allison, 2024-11-19 Do the terms dollar cost averaging and dividend reinvestment make your head spin How about debt consolidation Don't make that face I see you making that face What if learning to manage your money was easy And fun Yeah I said it Fun Most of us are scared to take control of our finances because we don't know what that means or how to do it We were never taught to our partners always did it for us we don't have enough money to manage it's too late to learn But it's never too late and *The First 100K* makes learning about money management easy and fun Whether you have specific goals like paying off credit card debt saving for a new home or planning your retirement paddleboarding on Lake Como this book will give you straightforward steps to get there Yes even to Lake Como From creating a budget you'll actually follow to understanding debt and how to pay it off the book shares practical advice and resources to help you get your financial house in order It goes on to cover the basics of savings that thing you do when you're not buying fancy paddleboard equipment how to grow your money to meet your goals and what to do with the money once you've started saving it It explains investing in easy to understand terms no jargon pinky swear decoding what different kinds of investments mean how they can help you meet your goals and how to get started with them Using simple steps helpful graphics and entertaining examples this book will demystify personal finance empowering you to make the right decisions to improve your financial health And get to Lake Como obviously By the end of the book you'll be dollar cost averaging and dividend reinvesting like the debt consolidating superstar you are

Sports Media Rights in the Age of Streaming and Platformisation Tom Evens, Paul Smith, 2024-12-18 Against a backdrop of increased online distribution of media this book provides an in depth analysis of how the platformisation of television is both shaping and being shaped by the changing sports media market Beginning by looking at the business models and strategies of the major stakeholders involved in the sports broadcasting value chain the authors go on to focus on the challenges and opportunities posed by the growth of OTT delivery for the regulation of sports broadcasting in several key areas including copyright law and piracy competition issues linked to the buying selling and distribution of premium sports content and legislation designed to safeguard coverage of certain national and international sporting events for free to air television Key areas of continuity such as the persistence of national regional markets the importance attached to premium sports rights by rival delivery platforms as a source of market power and the need to update key areas of policy and regulation in order to address challenges posed by the use of OTT delivery are also discussed This book makes use of a range of international and regional examples and case studies not least the Olympic Games and the FIFA World Cup and identifies different strategies employed in the buying selling and distribution of sports rights for all major parties in the sports media value chain including new entrant OTT players traditional pay TV operators public service broadcasters and a range of international sports organizations Providing a complete assessment of the relevance and future effectiveness of key areas of policy and regulation in sports media

distribution this book is recommended reading for advanced students and researchers of Sports Media Sports Management and Media Industries
