The New Domestic Automakers in the United States and Canada A.J. Jacobs, 2015-12-16 Over the past forty years state provincial and local governments in the United States and Canada have provided foreign automakers with approximately 480 billion in incentives in order to lure light vehicles assembly plants to their areas This has included tax abatements infrastructure construction land giveaways job training programs and other subsidies As of early 2015 ten foreign vehicle makers operated 20 light vehicles in developed North America Despite the fact that all ten of these automakers have pursued a similar pattern first exporting vehicles into the United States and Canada before launching vehicle plants in developed North America each has followed its own specific historical development path and has created its own unique growth trajectory This book provides a unique historical and qualitative review of these ten vehicle makers from their early beginnings to their export entry into the United States and or Canada through early 2015 In addition it chronicles the histories of more than a dozen former automakers and potential future foreign light motor vehicle assembly plants in the United States and Canada This includes the first foreign automaker to build its cars in the United States De Dion Bouton of France in July 1900 the early 20th Century endeavors of Fiat Mercedes and Rolls Royce and the present day hopes of Chinese and Indian automakers In the process the text also provides an assessment of the top competing states and sites for any future plants the possible incentives packages governments may offer to attract such facilities and an estimated incentive value for each automaker Overall the goal of this book is to expand the knowledge of policymakers at all tiers of government in the United States and Canada and to help them take a more holistic look at the pros and cons of attracting Automobile Manufacturing FDI It is hoped that this will enable them to make more informed decisions when pursuing a new foreign motor vehicle assembly plant Its findings should also prove informative to urban and regional planning political science sociology economics labor and international development scholars and students in North America and worldwide **Elon**

**Musk** Anna Crowley Redding, 2024-06-04 This YA biography reveals how the visionary behind SpaceX and Tesla became arguably the most important and successful entrepreneur in the world The New York Times Online banking reusable rockets electric sports cars improved solar power colonizing Mars Elon Musk is full of unique daring and highly publicized ideas that he believes will help save the world But behind his legendary drive and sensational headlines is the story of a bullied school boy who through creativity and determination decided to rewrite his narrative and find groundbreaking ways to make the world a better place all with his signature sense of fun and style From hosting raves to pay for college to rewriting the rules on space travel Elon Musk has always gone his own way to either the dismay or admiration of the general public And now award winning investigative journalist Anna Crowley Redding takes readers on a revealing trip through Elon's life and accomplishments

**Mobility-as-a-Service** Malte Ackermann, 2021-07-05 The advent of mobility as a service and the disruption of the automotive industry are both overlapping and fuelled by the same developments and thus raise a very

fundamental question are we at peak car Based on the author s extensive field research academic study and professional experience this book explores this very question as well as the underlying social economic generational and regulatory changes that lead to a new mobility regime Through rich descriptions of established OEMs and mobility start ups it discusses the current forms of mobility and the promise of autonomous technology It further explores the strategic dimension of these developments so as to navigate and succeed within the disruptive and ever changing environment of mobility services

**Burying the Dead** Georgette Gouveia, 2019-10-30 Playing off today s headlines Burying the Dead serves up a high stakes game of love and death set on the power courts of Washington DC and other glittering world capitals There Dimitri Dimi Orlov is a rising Russian tennis star whose glamorous globetrotting career provides the perfect cover for his real day job agent and assassin Trained by his government from the time he s discovered in an orphanage Dimi is assigned to assassinate the president of the United States a brilliant but arrogant onetime New York prosecutor who s proved too independent for his Russian backers by romancing and enlisting his abused first lady Catherine Darlington Dimi courts the lovely loveless Catherine at Renaissance House a new cultural center in historic Dupont Circle that s a front for Russia s Foreign Intelligence Service SVR and at the US Open There he s shadowed by CIA agent Mitch Abramson who has begun to connect the dots But just as the various matches Dimi and Catherine Dimi and Mitch heat up Dimi makes a choice that could have his bosses take him out of the game permanently *Business & Society* O.C.
