**Social Media and Society** Regina Luttrell, Adrienne A. Wallace, 2024-07-01 Exploring social media's integration with modern society this text empowers students as social media consumers and creators The thoroughly updated second edition includes a new chapter on AI technologies Features include full color visuals glossary chapter questions and activities and theory ethics and diversity and inclusion boxes

**America's Greatest Challenge** Newt Gingrich, 2019-10-22 Former Speaker of the House Newt Gingrich sounds the warning bell that communist ruled China poses the biggest threat to the United States that we have seen in our lifetime The United States is currently engaged in a competition with the Chinese government unlike any other that we have witnessed before This is a competition between the American system which is governed by freedom and the rule of law and a totalitarian dictatorship that is controlled by the Chinese Communist Party These are two different visions for the future one will succeed and one will fail It is possible for America to respond to the Chinese Communist Party's efforts but doing so will require new thinking many big changes and many hard choices for our leaders in government and private sector Newt Gingrich's Trump vs China serves as a rallying cry for the American people and a plan of action for our leaders in government and the private sector Written in a language that every American can understand but still rich in detail and accurate in fact Trump vs China exposes the Chinese Communist Party's multi pronged threat against the United States and what we must do as a country to survive
