The National Assessment of Educational Progress (NAEP) provides data about what children know and can do with the goal of using this information to improve education. This book contains interpretive reports based on results from the mathematics assessments conducted by the NAEP regarding:

- 1 the cognitive performance of students at grades 4, 8, and 12 on multiple choice, regular constructed response, and extended constructed response items.
- 2 students' responses to a variety of background questions dealing with their beliefs and feelings toward mathematics and their participation in various forms of classroom activity.
- 3 teachers' responses to various background questions dealing with the nature of their mathematics instruction.

The results are summarized for the different grade levels and subgroups of students by gender and race/ethnicity. Chapters include:

- 1 Learning about NAEP Information Concerning the Sixth Mathematics Assessment
