and Atonement Mystery - Essays in First Christianity Jonathan Ramachandran,2021-01-07 This Book is written to
 highlight some First Christian Perspectives regarding Almsgiving and Atonement We do not believe that Almsgiving can
 remove sins as only the Blood of Christ can do that making us New in the Resurrection where we taste the powers of the age
 to come now by His Mercy We do believe that Almsgiving does remove some Judgment of sins Regardless of how Scriptural
 one might argue we all point to men of God which history sets before us as the founding persons of certain theology or
 exegesis So if God used John Calvin as almost all protestants will agree and John Calvin in turn points to St Augustine then if
 St Augustine contemplated these same doctrinal points to some extent and is not a heretic so we contemplating on these

possibilities likewise to even a deeper extent without concluding anything must likewise be not deemed as false teachers right If this Book causes your faith in Christ to stumble in any way we encourage you to stop reading but if it increases solidifies or increases your faith in Lord Jesus Christ we exhort you to continue reading it in any way that may be beneficial as you may seek our Most Blessed Saviour and Pray for His Leading in this accordingly Thank you for reading it Peace to you
