

Peace And Security

Laura J. Shepherd

Peace And Security:

Responsibility to Protect and Women, Peace and Security Sara E. Davies, Zim Nwokora, Eli Stamnes, Sarah Teitt, 2013-08-08 In *Responsibility to Protect and Women Peace and Security Aligning the Protection Agendas* editors Davies Nwokora Stamnes and Teitt address the intersections of the Responsibility to Protect R2P principle and the Women Peace and Security WPS agenda Widespread or systematic sexual or gender based violence is a war crime a crime against humanity and an act of genocide all of which are clearly addressed in the R2P principle The protection of those at risk of widespread sexual violence is therefore not only relative to the Women Peace and Security WPS agenda but a fundamental sovereign obligation for all states as part of their commitment to R2P Contributions from policy makers and academics consider both the merits and the utility of aligning the protection agendas of R2P and WPS Ultimately a number of actionable recommendations are made concerning a unification of the agendas to best support the global empowerment of women and prevention of mass atrocities

The Women, Peace and Security Agenda Laura J. Shepherd, 2021-09-26 The Women Peace and Security WPS agenda is comprised of the policies protocols and practices enacted by a wide range of actors inspired by or under the auspices of the UN Security Council resolutions adopted under the title of women and peace and security Since the adoption of the first resolution in 2000 resolution 1325 there have been nine others each of which elaborates or extends aspects of the original resolution This book provides a forward looking collection of scholarship on the WPS agenda in two halves The first half of the book presents a series of essays that each provide a glimpse of the rich and insightful research on WPS being undertaken in and about different contexts to demonstrate the importance of centring the local as a site of knowledge production in the WPS agenda The essays presented in the second half of the book also engage questions of knowledge production documenting the exploratory methods in use in WPS scholarship and highlighting those topics engaged at the hinterlands of what is a broad field topics that gesture at the future of research in this area The chapters in this book were originally published as special issues of the *International Feminist Journal of Politics*

The Sage Handbook of Peace and Conflict Studies Maia Carter Hallward, Ji Eun Kim, Cécile Mouly, Timothy Seidel, Zubairu Wai, 2025-06-28 A contemporary exploration of peace and conflict studies that is both broad and critical *The Unit for Peace and the New Dimensions of Security* Unesco. Unit for Peace and the New Dimensions of Security, 1999

Routledge Handbook of Peacebuilding Roger Mac Ginty, 2024-08-20 This updated and revised second edition of the Routledge Handbook of Peacebuilding contains cutting edge analyses of contemporary attempts to reach and sustain peace The book covers the main actors and dynamics of peacebuilding as well as the main challenges that it faces with accessible chapters The volume is comprehensive covering everything from the main international institutions for peacebuilding to the links between peacebuilding and climate change or peacebuilding and trauma It is also firmly interdisciplinary with a number of chapters devoted to showcasing how different disciplines interpret peacebuilding and how they contribute to it Bringing

together leading thinkers and practitioners on peacebuilding many from the Global South the handbook offers a valuable hands on perspective on how peace can be secured and sustained There is a significant emphasis on comparison and the book shows how peacebuilding is best examined from the vantage point of multiple cases The book is organised into six thematic sections Part I Architecture and Actors Part II Reading Peacebuilding Part III Issues and Approaches Part IV Violence and Security Part V Everyday Living Part VI Disciplinary Approaches This book will be essential reading for students of peacebuilding mediation and post conflict reconstruction and of great interest to students of statebuilding intervention civil wars conflict resolution war and conflict studies and IR in general Chapter 25 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license

Rethinking Peace and Security Paula Duarte Lopes, Stephen Villanueva Ryan, 2009-01-01 During ten days in July 2008 around fifty students and a dozen professors from twelve different European universities met at the University of Coimbra for the Fifth Intensive Seminar of the European Doctorate Enhancement Programme on Peace and Conflict EDEN and discussed the new dimensions of peace and security studies Their contributions reflect the research agendas of a new generation who continue to address enduring themes in peace and conflict studies but whose formative influences are those of a complex post Cold War world

The Oxford Handbook of Women, Peace, and Security Sara E. Davies, Jacqui True, 2018-12-11 Passed in 2000 the United Nations Security Council Resolution 1325 and subsequent seven Resolutions make up the Women Peace and Security WPS agenda This agenda is a significant international normative and policy framework addressing the gender specific impacts of conflict on women and girls including protection against sexual and gender based violence promotion of women s participation in peace and security processes and support for women s roles as peace builders in the prevention of conflict and rebuilding of societies after conflict Implementation within and across states and international organizations and within peace and security operations has been slow despite significant transnational advocacy in support of the WPS agenda The Oxford Handbook of Women Peace and Security brings together scholars advocates and policymakers to provide an overview of what we know concerning what works to promote women s participation in peace and security what works to protect women and girls from sexual and gender based violence and other human rights violations and what works to prevent conflict drawing on women s experiences and knowledge of building peace from local to global levels Just as importantly it addresses the gaps in knowledge on and the future direction of scholarship on WPS The handbook particularly aims to build on the findings from the 2015 Global Study of Resolution 1325 commissioned by the UN Secretary General Over the course of six sections the handbook addresses the concepts and early history behind WPS the theory and practice of WPS international institutions involved with the WPS agenda the implementation of WPS in conflict prevention peace operations peace building arms control human rights protection and protection of civilians connections between WPS and other UN resolutions and agendas and the ongoing and future challenges of WPS

Peace and Security in the Asia-Pacific

Sorpong Peou, 2010-04-15 Demonstrating that none of the various perspectives under review has emerged as the clear winner in the struggle for theoretical hegemony in security studies this book shows that eclectic perspectives like democratic realist institutionalism can better explain peace and security in the Asian Pacific The Asian Pacific has emerged as one of the most important regions in the world causing scholars to pay increased attention to the various challenges old and new to peace and security there Peace and Security in the Asia Pacific Theory and Practice is a comprehensive critical review of the established theoretical perspectives relevant to contemporary peace and security studies in the light of recent experiences Illuminating ongoing debates in the field the book covers some 20 theoretical perspectives on peace and security in the Asian Pacific including realist liberal socialist peace and human security constructivist feminist and nontraditional security studies The first section of the book discusses perspectives in realist security studies the second part covers perspectives critical of realism The author's goal is to assess whether any of the perspectives found in nonrealist security studies are capable of undermining realism His conclusion is that each theoretical perspective has its strengths and weaknesses leaving eclecticism as the best way to understand the region's dynamics *Understanding Violence Against Women in Africa* Francis

Onditi, Josephine Odera, 2021-08-22 This textbook provides students across Social Sciences Humanities Politics and International Studies with an in depth understanding of the issues policies and strategies for addressing the symptoms and root causes of violence against women VAW in sub Saharan Africa This text uses the United Nations Security Council's Resolution 1325 UNSCR 1325 on Women Peace and Security in Eastern and Southern Africa as a framework to present the causes and impacts of VAW and to trace the journey of sub Saharan African countries toward gender equality It also provides an overview of the policy and legislative frameworks that underpin the progress challenges and achievements of addressing VAW based on four key pillars prevention protection participation and relief and recovery Chapters provide a wealth of knowledge as the book draws on academic literature national regional and international legislations and data collected from field research and makes use of end of chapter discussion questions and quick study guides Students will come away equipped with the tools resources and knowledge necessary to address and fix VAW in sub Saharan Africa and beyond

Key Resolutions of the United Nations General Assembly 1946-1996 Dietrich Rauschnig, Katja Wiesbrock, Martin Lailach, 1997-08-28 Key resolutions from the first fifty years of the United Nations General Assembly **Theses Abstracts** Institute for Peace and Security Studies, 2014 **Women, Peace and Security** Funmi Olonisakin, Karen Barnes, Eka

Ikpe, 2010-11-01 This book provides a critical assessment of the impact of UN Resolution 1325 by examining the effect of peacebuilding missions on increasing gender equality within conflict affected countries UN Resolution 1325 was adopted in October 2000 and was the first time that the security concerns of women in situations of armed conflict and their role in peacebuilding was placed on the agenda of the UN Security Council It was an important step forward in terms of bringing women's rights and gender equality to bear in the UN's peace and security agenda More than a decade after the adoption of

this Resolution its practical reality is yet to be substantially felt on the ground in the very societies and regions where women remain disproportionately affected by armed conflict and grossly under represented in peace processes This realization in part led to the adoption in 2008 and 2009 of three other Security Council Resolutions on sexual violence in conflict violence against women and for the development of indicators to measure progress in addressing women peace and security issues The book draws together the findings from eight countries and four regional contexts to provide guidance on how the impact of Resolution 1325 can be measured and how peacekeeping operations could improve their capacity to effectively engender security This book will be of much interest to students of peacebuilding gender studies the United Nations international security and IR in general

Small Arms Survey 2014 Small Arms Survey, Geneva,2014-07-03 The Small Arms Survey 2014 considers the multiple roles of women in the context of armed violence security and the small arms agenda The volume s thematic section comprises one chapter on violence against women and girls with a focus on post conflict Liberia and Nepal and another on the recent convergence of the small arms agenda with that of women peace and security Complementing these chapters are illustrated testimonies of women with experience as soldiers rebels and security personnel The weapons and markets section assesses the potential impact of the Arms Trade Treaty presents the 2014 Transparency Barometer and an update on the authorised small arms trade and analyses recent ammunition explosions in the Republic of the Congo Additionally it examines ammunition circulating in Africa and the Middle East maps the sources of insurgent weapons in Sudan and South Sudan and evaluates crime gun records in the United States

Fundamental Challenges to Global Peace and Security Hoda Mahmoudi,Michael H. Allen,Kate Seaman,2022-02-04 This book challenges the current thinking and strategies in the field of global peace and security It is clear that current global public and private institutions are inadequate for the challenges we face today These challenges cut across borders and require a more coordinated and concerted effort to find workable solutions This book therefore begins with the question of global leadership and works its way back to the interconnected dynamics of global modernity and conflict It is divided into four parts each addressing a fundamental challenge to global peace and security By exploring how we break out of the current framework in which we understand global activities and the distribution of resources and this book provides new ways of understanding the material cultural political and spiritual relations that form the basis of international society

Theories of Peace and Security John C. Garnett,1970-07-02

New Directions in Women, Peace and Security Soumita Basu,Paul C. Kirby,Laura J. Shepherd,2020-06-12 What does gender equality mean for peace justice and security At the turn of the 21st century feminist advocates persuaded the United Nations Security Council to adopt a resolution that drew attention to this question at the highest levels of international policy deliberations Today the Women Peace and Security agenda is a complex field relevant to every conceivable dimension of war and peace This groundbreaking book engages vexed and vexing questions about the future of the agenda from the legacies of coloniality to the prospects of international law and from the implications of the

global arms trade to the impact of climate change It balances analysis of emerging trends with specially commissioned reflections from those at the forefront of policy and practice Peace and Security Thesaurus ,1989 Gender, Peace and Security Louise Olsson,Theodora-Ismene Gizelis,2015-04-24 This volume explores the implementation of key gender policies in international peace and security following the adoption of UN Security Council resolution 1325 in October 2000 the first thematic resolution on Women Peace and Security How should we understand women s participation in peace processes and in peace operations And what forms of gendered security dynamics are present in armed conflict and international interventions These questions represent central themes of protection and participation that the international community has to address in order to implement UNSCR 1325 Thus far the implementation has often employed varying approaches related to gender mainstreaming a third theme of the resolution Yet there is a dearth of systematic data which until recently has restricted the ability of researchers to evaluate the progress in implementation and impact of UNSCR 1325 By engaging with both empirics and critical theory the authors of this edited volume make important contributions to the gender peace and security agenda They identify some of the problems of implementing UNSC 1325 and offer a sobering assessment of progress of implementation and insights into how to advance our understanding through systematic research Many of the chapters are focused on operational aspects of UNSCR 1325 but all also engage with the theoretical underpinnings of UNSCR 1325 to bring forth central debates on more fundamental challenges to the development of knowledge in the fields of gender peace and security This book will be of much interest to students of gender studies peace and conflict studies security studies and IR in general **Compendium of Key Documents Relating to Peace and Security in Africa** Monica Kathina Juma,2006 This Compendium contains key official Documents on peace and security in Africa covering period between 1963 and the end of 2005 **The United Nations and the Maintenance of International Peace and Security** Nigel D. White,1990
