**Advocate of Peace and Universal Brotherhood** ,1895      Peace, Patriotism and War Frank A. Pellegrino,2004-06 This ground breaking book reveals that buried memories from our past lives are often the causes of problems with health attitude or behavior problems that can generally be eliminated by enlightened therapy From his experience as skilled psychic and therapist the author relates 45 past life episodes that show dramatic compelling evidence of after death consciousness of the human spirit and recurring physical life a reality confirmed by Jesus when he told his disciples who John The Baptist had been in a prior lifetime These fascinating cases range from the author s own excruciating torture during the Spanish Inquisition to an engaging renewal of contact with a young woman who remembered being his daughter in two previous lifetimes in ancient Rome Half of the examples demonstrate that such buried memories can cause systemic conditioned responses often with harmful effects from the trauma of an agonizing death Evidence includes numerous psychic healings the author accomplished with only his mental energies breaking the link to the past Other episodes point out a variety of kinds of circumstances that triggered a past life recall or caused a latent carryover effect to suddenly erupt In many cases two or more people recognized each other from earlier periods Listing 23 of his own previous lives as illustration the author discusses why we are engaged in this repeating cycle and suggests things worth considering in preparation for your next trip
