## **Peaceology For Healing Society:**

*Songs of Enlightenment* Ilchi Lee, 2002 This book contains selected poems of enlightenment given form and voice through the personal experiences of Ilchi Lee For the last twenty years during states of deep meditation Ilchi Lee has often experienced a natural flow of words that express his innermost thoughts and feelings Accordingly he says But I have never composed a poem Poems come to me Ilchi Lee's beautiful words are both inspirational in their power to stir the soul as well as straight forward in their message of truth His poems provide us a place to rest a soothing touch upon our hearts and a guiding hand for our souls giving us the courage and determination to transform ourselves As in *Healing Society* and other previous works he seeks to shatter the illusions about enlightenment and lead us to our True Selves In short his words are that of a spiritual guide on this journey of the soul that we call life Ilchi Lee's own drawings also grace the pages of this book Created without any preconceived forms or images the drawings reflect a natural flow of energy as expressed through his hand These drawings may also serve as tools for meditation as they are filled with a deep inner smile

### **Mago's Dream**

*Sŭng-hŏn Yi*, Ilchi Lee, 2002 Going beyond other books about the love of Mother Earth this book brings the concepts of peace and healing to a practical level by offering such tools as breathing exercises and guided meditations to help readers on their journey to self discovery It also offers a concrete vision and action plan for using this inner peace inspired by Mother Earth to create a beautiful peaceful world Mago is an ancient term for the soul of our Mother Earth Despite living within the bosom of the Earth all our lives we often forget about her existence Only when we can feel and communicate with the soul of the Earth from which we draw our spiritual strength will we as humanity understand the true significance of peace Mago's Dream will guide you on a path filled with inner peace and joy ultimately leading you to a profound meeting with the soul of the Earth

**Religions of the World** J. Gordon Melton, Martin Baumann, 2010-09-21 This masterful six volume encyclopedia provides comprehensive global coverage of religion emphasizing larger religious communities without neglecting the world's smaller religious outposts *Religions of the World Second Edition A Comprehensive Encyclopedia of Beliefs and Practices* is an extraordinary work bringing together the scholarship of some 225 experts from around the globe The encyclopedia's six volumes offer entries on every country of the world with particular emphasis on the larger nations as well as Indonesia and the Latin American countries that are traditionally given little attention in English language reference works Entries include profiles on religion in the world's smallest countries the Vatican and San Marino profiles on religion in recently established or disputed countries Kosovo and Nagorno Karabakh as well as profiles on religion in some of the world's most remote places Antarctica and Easter Island *Religions of the World* is unique in that it is based in religion on the ground tracing the development of each of the 16 major world religious traditions through its institutional expressions in the modern world its major geographical sites and its major celebrations Unlike other works the encyclopedia also covers the world of religious unbelief as expressed in atheism humanism and other traditions
