Peadar Odonnell:

Spiritual Wounds Siobhira Aiken, 2022-03-01 This book challenges the widespread scholarly and popular belief that the Irish Civil War 1922-1923 was followed by a traumatic silence. It achieves this by opening an alternative archive of published testimonies which were largely produced in the 1920s and 1930s; testimonies were written by pro and anti-treaty men and women in both English and Irish. Nearly all have eluded sustained scholarly attention to date. However, the act of smuggling private painful experience into the public realm, especially when it challenged official memory-making or even forgetting, demanded the cautious deployment of self-protective narrative strategies. As a result, many testimonies from the Irish Civil War emerge in non-conventional, hybridised and fictionalised forms of life-writing. This book re-introduces a number of these testimonies into public debate. It considers contemporary understandings of mental illness and how a number of veterans, both men and women, self-consciously engaged in projects of therapeutic writing as a means to heal the spiritual wounds of civil war. It also outlines the prevalence of literary representations of revolutionary sexual violence, challenging the assumptions that sexual violence during the Irish revolution was either rare or hidden. *Living the Death of Democracy in Spain* Susana Belenguer, Ciaran Cosgrove, James Whiston, 2017-10-02 This volume brings together new interdisciplinary perspectives on the Spanish Civil War: its victims, its contentious ending and its aftermath. In exploring the slow demise of the Spanish Republic and the course of the Civil War, the authors have chosen to range in turn over cinematic, literary and historical depictions of the era. In addition, reactions elsewhere in Europe to the Spanish conflict are examined; the role of the International Brigades is looked at afresh; the fate of children displaced during the Civil War is explored; and the Spanish anarcho-syndicalist movement is revisited. The volume shows that to be any kind of soldier in the armies of the Republic or even to be seen as a Republican sympathiser was to become a non-person in the new order in Spain under Franco, and sets what supporters of the Republic had to endure within the wider European and international context of the period. This book offers timely, fresh insights into the failure of the Spanish Republic and into a society that tried in vain to unite its divided people during what was a seismic era in Spain's history. This book was originally published as a special issue of *Bulletin of Spanish Studies*. **Modern Irish Writers** Alexander G. Gonzalez, 1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940, the Irish Renaissance has continued to the present day and shows no sign of abating. The period has produced some of the most important and influential figures in Irish literature, some of whom are counted among the world's greatest authors. The Revival saw a reestablishment of Ireland's literary connections with its Celtic heritage, and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past. James Joyce boldly reshaped the novel and wrote short fiction of enduring value. Contemporary Irish writers continue to be leading figures and include such authors as Brian Friel, Seamus Heaney and Eavan Boland. Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers, including Samuel Beckett, William Trevor, Patrick

Kavanagh Medbh McGuckian Sean O Casey J M Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author s career a discussion of major works and themes an overview of the author s critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume

Political Thought in Ireland Since the Seventeenth Century D. George Boyce, Dr Robert Eccleshall, Robert Eccleshall, Vincent Geoghegan, 2008-03-07 These pioneering essays provide a unique study of the development of political ideas in Ireland from the seventeenth to the twentieth century The book breaks away from the traditional emphasis in Irish historiography on the nationalism unionism debate to focus instead on previously neglected areas such as the role of the Scottish Enlightenment and early Irish socialism and conservatism A wide range of original primary sources are used from pamphlets to journalism devotional tracts to poetry

Peadar O'Donnell Donal Ó Drisceoil, 2001 Peadar O'Donnell 1893-1986 was a major radical figure in the history of twentieth century Ireland A socialist Republican and a writer who saw his pen as a weapon in the revolutionary process he moved from his role as a trade union organizer to the senior ranks of the IRA during the War of Independence and the Irish Civil War A key figure in the Republican Communist nexus of the late twenties and early thirties O'Donnell was the instigator of the mass campaign against the payment of land annuities to Britain an issue that helped Fianna Fail to power in 1932 and sparked off the Economic War As editor of the legendary Bell Magazine in the late forties and early fifties he encouraged writers to engage with social and political realities while he continued to agitate and campaigning on behalf of emigrants the small farm countryside and other marginalized sections of Irish society He grew into his role as the grand old man of the left inspiring successive generations of activists to take up the struggle and lending his symbolic weight to many progressive political causes In this new biography Donal O'Drisceoil critically examines Peadar O'Donnell s political and cultural role and influence standing on the shoulders of a unique participant in public life to gain new perspectives on the dynamics of Irish politics culture and society in the twentieth century

Peadar O'Donnell Alexander Gonzalez, 1997-04-28 The first comprehensive examination of one of Ireland's leading social novelists of this century No other Irish novelist has succeeded so completely in rendering rural Irish life as Peadar O'Donnell From the minutest details of life on tiny islands to the broader sweep of townland life in mainland Donegal O'Donnell manages to re-create rural Ireland in a deeply intimate and moving way Gonzalez's reader's guide provides the first thorough assessment of O'Donnell's complete literary output both the fiction and non-fiction He also places O'Donnell in the context of Irish literature in general showing how his fiction relates to that of his contemporaries including George Moore and James Joyce as well as to that of modern Irish literature in general His novels *The Knife* about the Civil War *The Big Windows* about rural Donegal and *Islanders* about the poverty and struggles of a small island community probably provide the most unsentimental and honest portrait of Irish life written by any Irish writer this century His vision of his homeland is complex and many layered affectionate yet unsentimental and always honest Alexander G Gonzalez is Professor of English at Cortland College of the State University of New York and has published extensively on contemporary Irish literature *Wilson Library Bulletin* Stanley Kunitz, Marie Duvernoy Loizeaux, 1929 **Wilson Bulletin for Librarians**, 1929 **Whitaker's Books in Print**, 1998 Patrick Kavanagh Antoinette Quinn, 2001 Table of contents **Díospóireachtaí Párlaiminte** Ireland. Oireachtas. Dáil, 1932 Reds and the Green Emmet O'Connor, 2004 In August 1922 at the height of the Civil War when the Communist Party of Ireland could count on barely 50 activists two agents of the Communist International held a secret meeting in Dublin with two IRA leaders The four signed an agreement providing for the transformation of Sinn Féin into a socialist party In return Moscow was to assist with the supply of weapons to the IRA The incident illustrates what made the Comintern a beacon of hope to beleaguered revolutionaries or an object of sometimes hysterical suspicion From February 1918 when over 10 000 thronged central Dublin to acclaim the Bolshevik revolution to July 1941 when the Party in Éire was dissolved by the votes of just 20 members communists were involved with every radical movement and demonised in every pulpit Based on former Soviet archives *Reds and the Green* shows why Irish Marxists and republicans turned repeatedly to Russia for support and inspiration what Moscow wanted from Ireland and how the Comintern was able to direct an Irish political party *Donegal Authors, a Bibliography* Brenda O'Hanrahan, 1982 **Books Ireland**, 2001 *Irish Nationalism* Sean Cronin, 1981
