Wallin,2001-09 Pearl Harbor will long stand out in men's minds as an example of the results of basic unpreparedness of a peace loving nation of highly efficient treacherous surprise attack and of the resulting unification of America into a single tidal wave of purpose to victory Therefore all will be interested in this unique narrative by Admiral Wallin The Navy has long needed a succinct account of the salvage operations at Pearl Harbor that miraculously resurrected what appeared to be a forever shattered fleet Admiral Wallin agreed to undertake the job He was exactly the right man for it \_ in talent in perception and in experience He had served intimately with Admiral Nimitz and with Admiral Halsey in the South Pacific has commanded three different Navy Yards and was a highly successful Chief of the Bureau of Ships On 7 December 1941 the then Captain Wallin was serving at Pearl Harbor He witnessed the events of that shattering and unifying Day of Infamy His mind began to race at high speeds at once on the problems and means of getting the broken fleet back into service for its giant task Unless the United States regained control of the sea even greater disaster loomed Without victory at sea tyranny soon would surely rule all Asia and Europe In a matter of time it would surely rule the Americas Captain Wallin salvaged most of the broken Pearl Harbor fleet that went on to figure prominently in the United

States Navys victory So the account he masterfully tells covers what he masterfully accomplished The United States owes him an unpayable debt for this high service among many others in his long career      **Naval Engineers Journal** ,1986
