**Statesmen, Strategists, and Diplomats** Patrice Dutil, 2023-06-15 Foreign policy is a tricky business Typically challenges and proposed solutions are perceived as disparate unless a leader can amass enough support for an idea that creates alignment And because the prime minister is typically the one proposing that idea Canadian foreign policy can be analyzed through the actions of these leaders Statesmen Strategists and Diplomats explores how prime ministers from Sir John A Macdonald to Justin Trudeau have shaped foreign policy by manipulating government structures adopting and rejecting options and imprinting their personalities on the process Contributors consider the impact of a wide range of policy decisions increasing or decreasing department budgets forming or ending alliances and pursuing trade relationships particularly as these choices affected the bureaucracies that deliver foreign policy diplomatically and militarily This innovative focus is destined to trigger a new appreciation for the formidable personal attention and acuity involved in a successful approach to external affairs Pearson's Peacekeepers Michael K. Carroll, 2010-01-01 In 1957 Lester Pearson won the Nobel Peace Prize for creating the United Nations Emergency Force during the Suez crisis The award launched Canada's enthusiasm and reputation for peacekeeping Pearson's Peacekeepers explores the reality behind the rhetoric by offering a detailed account of the UNEF's decade long effort to keep peace along the Egyptian Israeli border While the operation was a tremendous achievement the UNEF also encountered formidable challenges and problems This nuanced account of Canada's participation in the UNEF challenges perceived notions of Canadian identity and history and will help Canadians to accurately evaluate international peacekeeping efforts today **Militärgeschichtliche Zeitschrift**, 2009

**Auto Pact** Dimitry Anastakis, 2005-11-26 The 1965 Canada United States Automotive Trade agreement fundamentally reshaped relations between the automotive business and the state in both countries and represented a significant step toward the creation of an integrated North American economy Breaking from previous conceptions of the agreement as solely a product of intergovernmental negotiation Dimitry Anastakis's Auto Pact argues that the big three auto companies played a pivotal role and benefited immensely in the creation and implementation of this new automotive regime With the border effectively erased by the agreement the pact transformed these giant enterprises into truly global corporations Drawing from newly released archival sources Anastakis demonstrates that for Canada's automotive policy makers continentalism was a form of economic nationalism Although the deal represented the end of any notion of an indigenous Canadian automotive industry significant economic gains were achieved for Canadians under the agreement Anastakis provides a fresh and alternative view of the auto pact that places it firmly within contemporary debates about the nature of free trade as well as North American and indeed global integration Far from being a mere artefact of history the deal was a forebearer to what is now known as globalization Canada First, Not Canada Alone Adam Chapnick, Professor of Defence Studies Adam Chapnick, Asa McKercher, Assistant Professor of History Asa McKercher, 2024 The definitive history of

Canadian foreign policy since the 1930s *Canada First Not Canada Alone* examines how successive prime ministers have promoted Canada's national interests in a world that has grown increasingly complex and interconnected Case studies focused on environmental reform Indigenous peoples trade hostage diplomacy and wartime strategy illustrate the breadth of issues that shape Canada's global realm Drawing from extensive primary and secondary research Adam Chapnick and Asa McKercher offer a fresh take on how Canada positions itself in the world **Pearson** Norman Hillmer,1999-07-08 In this collection of essays marking the centenary of Pearson's birth eighteen leading academics journalists public servants and politicians recreate and reassess Pearson's premiership from 1963 to 1968 Robert Bothwell Toronto introduces Pearson the man and Denis Stairs Dalhousie presents his political ideas Governor General award winning author and journalist Christina McCall and J L Granatstein Canadian Institute of International Affairs compare Pearson and his nemesis John Diefenbaker Stephen Azzi House of Commons and Greg Donaghy Department of Foreign Affairs write respectively about the prime minister's relations with Walter Gordon and Paul Martin Sr Tom Kent Queen's and Penny Bryden Mount Allison discuss the Pearson welfare state while Claude Ryan editor of *Le Devoir* in the 1960s and Michael Behiels Ottawa debate national unity Patrick Brennan Calgary looks at the media Monique Babin Ottawa Andrew Cohen Globe and Mail Blair Neatby Carleton and former public servants Ross Campbell Al Johnson Geoffrey Pearson and Gordon Robertson gauge the scope of Pearson's legacy The collection also includes an introduction by the editor and a foreword by Prime Minister Jean Chrétien Prime Ministers of Canada ,2002 Prime Ministers in Canada have provided critical leadership in defending Canada as an independent and sovereign country in North America and in general as a strong and united nation Sir John A Macdonald Canada's first Prime Minister for example championed the development of a transcontinental railway linking Canada from sea to sea the Atlantic Ocean to the Pacific Ocean against threats of manifest destiny by the United States Lester B Pearson for example helped champion Canada's leadership in constructive internationalism via the United Nations as an international peacekeeper Pierre Elliott Trudeau for example championed the Canadian Charter of Rights and Freedoms as a critical contribution to civil rights and human rights in association with constitutional law This book supports a critical appreciation of political leadership by Prime Ministers of Canada via their speeches in association with Canadian political history and social constitutional development The editor of the book presents constitutional and other social cultural values that have been defended by Prime Ministers of Canada in the nation building of Canada and that have been threatened by the Neo Duplessis Jean Chrétien Prime Ministerial administration The Editor of the cited book is a member of the University of Toronto community including Heads of State for Canada since the seventeenth century Please note The cited book already includes an appendix with a proposed Canadian Language Act Includes also a speech by Prime Ministerial candidate X concerning a proposed Canadian transcontinental bullet train network The Development of Political Thought in Canada Katherine Fierlbeck,2005 This book presents selections of Canadian political thought from the nineteenth century to the

**University of Toronto Quarterly** University of Toronto, 2000 **Book Review Digest**, 2002 Peace Research, 2000 A monthly journal of original research on the problem of war *While Canada Slept* Andrew Cohen, 2003 Canada emerged from World War II with the world s fourth largest military and the infrastructure to build nuclear weapons if it wanted Today its military is a shadow of its once glorious self and Canada s diplomatic influence in the world is in decline according to Andrew Cohen a journalism professor at Ottawa s Carleton University In his book *While Canada Slept* Cohen laments the aimlessness of Canada s foreign policy and the lethargy of its politicians at a time of world turmoil He admits he isn t the first to make the argument His innovation is to survey Canada s once great influence and its woeful present through the eyes of three pioneers of its foreign affairs establishment Hume Wrong a legendary senior external affairs official Norman Robertson a clerk of the Privy Council and Lester Pearson the prime minister The three men gave Canada a reputation for punching above its weight and contributed to Canada s towering diplomatic role of the 1950s and 1960s Cohen writes that the three would be saddened by what has become of their country Canadians are a people without memory he suggests citing a survey that found 88 percent of those aged 18 to 34 could not identify Pearson s role in defusing the Suez crisis in 1956 We are no longer as strong a soldier as generous a donor and as effective a diplomat and it has diminished us as a people he writes While Cohen claims not to be partisan he is especially critical of Jean Chr tien s government for cutting funds from the

military foreign aid and diplomatic service Some of Cohen s arguments have indeed been made before and they fall flat at times He doesn t explain for example why Canada should spend as much on the military as during the Korean War when it devoured 7.3 percent of GDP The book could also use an index But generally it is a decent effort to enliven the dry issue of Canada s foreign policy and is most interesting as a survey of the country s diplomatic heyday **Cold War** Spencer C.
