Peasants And Communists Politics And Ideology In The Yugoslav Countryside 1941 1953:

Peasants and Communists Melissa Katherine Bokovoy, 1998 Melissa K Bokovoy explores the dynamic relationship between the Communist Party of Yugoslavia KPJ and Yugoslavia's peasantry majority from 1941 1953 She challenges current explanations for the party's decision to end all efforts at collectivization Her argument rests on an extensive examination of the uneasy coalition between a radical revolutionary elite hoping to move from a predominantly rural country to a modernized state and an insurgent peasantry utterly resistant to change

Jugoslawiens Marie-Janine Calic, 2018-10-12 Marie-Janine Calic schließt in diesem Buch analytische Schneisen in die faszinierende Geschichte Jugoslawiens und legt die erste Gesamtdarstellung in deutscher Sprache seit der Auflösung des Vielvölkerstaates vor Warum ist Jugoslawien zerfallen Warum der gewaltsame Untergang unvermeidlich Warum hat der heterogene Staat dann überhaupt so lange überlebt Dieses Buch analysiert warum und unter welchen Umständen Jugoslawien entstand was den Vielvölkerstaat über siebenzig Jahre zusammenhielt und weshalb er sich schließlich gewaltsam auflöste Im Mittelpunkt stehen die um die Wende zum 20. Jahrhundert einsetzenden fundamentalen Wandlungsprozesse die die Ideologien politischen Systeme wirtschaftlich sozialen Beziehungen sowie die Lebensweisen in ganz Europa nachhaltig prägten und auch Jugoslawien im Laufe des 20. Jahrhunderts von einer Agrar in eine moderne Industriegesellschaft

verwandelten Dadurch wird die jugoslawische Geschichte in die europäische Geschichte mit all ihren wechselseitigen Verflechtungen eingebettet und das Klischeebild des rückständigen mit unauflosbaren Nationalitätenkonflikten belasteten Balkans korrigiert

Terror in the Balkans Ben Shepherd, 2012-04-13 Germany's 1941 seizure of Yugoslavia led to an insurgency as bloody as any in World War II The Wehrmacht waged a brutal counter insurgency campaign in response and by 1943 German troops in Yugoslavia were engaged in operations that ranked among the largest of the entire European war Their actions encompassed massive reprisal shootings the destruction of entire villages and huge mobile operations unleashed not just against insurgents but also against the civilian population believed to be aiding them *Terror in the Balkans* explores the reasons behind the Wehrmacht's extreme security measures in southern and eastern Europe Ben Shepherd focuses his study not on the high ranking generals who oversaw the campaign but on lower level units and their officers a disproportionate number of whom were of Austrian origin He uses Austro-Hungarian army records to consider how the personal experiences of many Austrian officers during the Great War played a role in brutalizing their behavior in Yugoslavia A comparison of Wehrmacht counter insurgency divisions allows Shepherd to analyze how a range of midlevel commanders and their units conducted themselves in different parts of Yugoslavia and why Shepherd concludes that the Wehrmacht campaign's violence was driven not just by National Socialist ideology but also by experience of the fratricidal infighting of Yugoslavia's ethnic groups by conditions on the ground and by doctrines that had shaped the military mindsets of both Germany and Austria since the late nineteenth century He also considers why different Wehrmacht units exhibited different degrees of ruthlessness and restraint during the campaign

Soviet Influences on Postwar Yugoslav Gender Policies Ivan Simic, 2018-08-01 This book explores Soviet influences on Yugoslav gender policies examining how Yugoslav communists interpreted adapted and used Soviet ideas to change Yugoslav society The book sheds new light on the role of Soviet models in producing Yugoslav family and reproductive laws and in framing the understandings of gender which affected key policies such as the collectivisation of agriculture labour policies towards Muslim populations and policies concerning youth sexuality Through a gender analysis of all these policies this book points to the difficulties of applying Soviet solutions in Yugoslavia Deeply entrenched patriarchal attitudes undermined Yugoslav communists' ability to challenge gender norms causing many disputes and struggles within the Communist Party over the meanings and application of Soviet gender models Yet Soviet models informed how Yugoslav communists approached gender related issues for many years even after the conflict erupted between these two countries

Die kommunistische Revolution in der Vojvodina 1944-1952 Michael Portmann, 2008 What was the blueprint the Yugoslav Serb communists had for a new Yugoslavia and how and to what extent were these concepts in the aftermath of the Second World War carried out in the Vojvodina What can be stated about the theoretical guidelines of the internationalist population policy and which were the plans the rulers had in mind for the imprisoned Danube Swabians What were the consequences of the disappearance of this German speaking minority on the

one hand and the settlement with mostly Serbian sympathisers of the People's Liberation Front in the Vojvodina on the other. In which realms must the agrarian policy be considered a success and where did tensions occur in the dubious alliance between peasants and communists? And last but not least: How permanent was the socialist revolution in this area? These and other questions shall be answered. Furthermore, the author provides an insight into the military, political, economical and cultural structures of the communist apparatus in the Autonomous Province Vojvodina and the Yugoslavian state as a whole. So far unknown documents from several archives in Serbia have been taken as basis for this comprehensive study of the socialist revolution in the Vojvodina. This is a worth reading study convincing in the conclusions and outreaching the stand of research.

Edgar Hosch Wurzburg *Transforming Peasants, Property and Power* Constantin Iordachi, Dorin Dobrinicu, 2009-06-15

The subject matter of the volume is part of larger research agenda on the process of land collectivization in the former communist camp focusing on state identity and property. The main innovation of the volume is to apply recent interdisciplinary approaches to the study of the collectivization process asking what types of new peasant state relations it formed and how it transformed notions of self, persons and things such as land. The project conceived of changes in the system of ownership as causing changes in the identity and attitude of people; similarly, it regarded the study of personal identities as essential for understanding changes in the system of ownership. This perspective is rare in the area studies approaches to the topic.

Canadian Slavonic Papers, 1999 Genocide and Resistance in Hitler's Bosnia Marko Attila Hoare, 2006-12-14

A study of revolution, genocide and national identity in Bosnia Hercegovina during World War II. This volume explains the course and outcome of the civil war between two rival guerrilla movements: the Partisans and the Chetniks. A chronological narrative history of the Bosnian Partisan movement describes how it evolved and emerged victorious.

The Balkans and the West Andrew Hammond, 2004

This timely collection investigates how the Balkans and the West have constructed each other since 1945. Scholars from both sections of the continent explore a wide variety of fiction, film, journalism, travel writing and diplomatic records both to analyse Western European balkanism and to study Balkan representations of the West over the last fifty years. This dual emphasis exposes the representational practices that help to maintain a deeply divided Europe and challenges the economic and political injustices that result. Despite the rise of postcolonialist analyses of global inequality, the current crises in many parts of South East Europe have received scant attention in literary and cultural studies. *The Balkans and the West* addresses this deficiency. Ranging in focus from Serbian cinema to Romanian travel literature, from Western economic writings to Yugoslav fiction and from public discourse in Albania to NATO's vast propaganda machine, the essays offer wide insight into representation and power in the contemporary European context.

Ethnic and Regional Conflicts in Yugoslavia and Transcaucasia Ivan Iveković, 2000 **Serbia's Antibureaucratic Revolution** N. Vladislavljevic, 2008-08-04

The antibureaucratic revolution was the most crucial episode of Yugoslav conflicts after Tito. Drawing on primary sources and cutting edge research, this book explains how popular unrest

contributed to the fall of communism and the rise of a new form of authoritarianism competing nationalisms and the break up of Yugoslavia

The History of Serbia John K. Cox, 2002-05-30 Chronicles Serbia's history from the Middle Ages to the twenty first century discussing such aspects as the Ottoman Empire the creation of Yugoslavia the World Wars Tito and Slobodan Milošević Also includes a time line bibliography and guide to notable Serbian figures

Gender, Revolution, and War Jelena Batinić, 2009 The mass participation of women in the communist led Yugoslav Partisan resistance is one of the most remarkable phenomena of the Second World War According to official figures by the end of the war more than two million women had been involved in the Partisan movement Over 100 000 served as combatants in the Partisan army a degree of female military involvement unprecedented and unrepeatable in the region and particularly unrivaled elsewhere Why and how did the Partisans recruit women What made these women the vast majority of them peasants from underdeveloped regions with strong patriarchal traditions decide to take up arms More intriguing still what made their transformation into warriors acceptable to the peasant filled Partisan ranks How were they integrated into the movement and how were their relations with men regulated What images emerged to represent their experience and role Last but not least what was the legacy of women's mass military and political mobilization in the region To try to answer these questions this study explores the history and postwar memory of the phenomenon It is more broadly concerned with the changes in gender norms and values caused by the war revolution and the establishment of the communist regime which claimed to have solved the woman question and instituted equality between the sexes
