*1780-1788* Académie royale de peinture et de sculpture (France), 1889      **The Académie Royale de Peinture et de Sculpture** Christian Michel, 2018-02-06 The Acad mie Royale de Peinture et de Sculpture French Academy of Painting and Sculpture perhaps the single most influential art institution in history governed the arts in France for more than 150 years from its founding in 1648 until its abolition in 1793 Christian Michel s sweeping study presents an authoritative in depth analysis of the Acad mie s history and legacy The Acad mie Royale assembled nearly all of the important French artists working at the time maintained a virtual monopoly on teaching and exhibitions enjoyed a priority in obtaining royal commissions and deeply influenced the artistic landscape in France Yet the institution remains little understood today all commentary on it during its existence and since its abolition is based on prejudices both favorable and critical that have shaped the way the institution has been appraised This book takes a different approach Rather than judging the Acad mie Royale Michel unravels existing critical discourse to consider the nuances and complexities of the academy s history

reexamining its goals the shifting power dynamics both within the institution and in the larger political landscape and its relationship with other French academies and guilds
