Umweg zur Hölle Ross Thomas, 2010-08-01 Artie Wu und Quincy Durant zwei ehemalige Waisenkinder die ihre Lektion gelernt haben leben am Strand von Malibu Kalifornien Als Artie Wu beim Joggen über einen toten Pelikan stolpert haben die beiden kurz darauf den Millionär Randall Piers und seine nymphomane Frau im Haus Die Ermittler verstricken sich bald in einem Netz aus offenen Rechnungen und alten Versprechen geknüpft von den schmutzigen Fingern der Mafia und CIA Durchgesehene Neuauflage der 1984 erschienenen deutschen Erstausgabe **Chinaman's Chance** Ross

Thomas, 2002-01-15 It was while jogging along the beach just east of the Paradise Cove pier that Artie Wu tripped over a dead pelican fell and met the man with six greyhounds from Chinaman's Chance Thus begins what may be the most popular of Ross Thomas's unique stories The combination of Wu pretender to the Imperial throne of China and Quincy Durant who has his own colorful past makes for a heady experience After starting with the deceased pelican on a California beach the plot mixes in the disappearance of a large sum of money that should have been buried in Vietnam and the search for the missing member of a trio of singing sisters from the Ozarks Only Thomas could have stirred this concoction with the style humor and suspense that captures the reader at the very beginning and doesn't let go until the last word **The I Hate To**

Contagion Victoria Law, 2024-09-10 Tracing the narratives of five incarcerated individuals Sentenced to COVID speaks to the devastating impact of surviving the pandemic inside prison walls Corridors of Contagion brings to light the experiences of five people incarcerated across the United States as they navigate the onset of the pandemic and the many months stretched into years that followed Journalist Victoria Law combines this storytelling with a trenchant analysis of the structural failures of the US carceral system failures that made prisons uniquely vulnerable to COVID 19 outbreaks from overcrowding to solitary confinement from insufficient healthcare to life sentences The book portrays the horrors of continual lockdowns not in the comfort of one's own home but in prisons where routine violence and chaos is made even more unimaginable by the complete lack of control over protection from a terrifying and lethal new virus The pandemic provided an opportunity for lawmakers and policy makers to rethink the nation's addiction to perpetual punishment Instead US jails and prisons doubled down on punishment under the guise of pandemic protections As a result people behind bars experienced increased stress mental health challenges increased violence and higher rates of deaths many of which could have been prevented While the

pandemic emergency has been declared over we are continuing to learn more about the extent of its destruction Corridors of Contagion reminds readers about both the particular horrors experienced by people in cages and the continued role of the US as the world's prison nation

The Last Pirate, a novel by Wilson Hawthorne Wilson Hawthorne, 2009 The Last Pirate a novel by Wilson Hawthorne is the story of Harley Cooper a fourteen year old Florida boy One August day in the summer of 2004 Harley finds a treasure map in his crab trap on Pine Island Sound The map originally belonged to the notorious pirate Gasparilla and had been lost for 200 years Harley enlists the aid of an old hermit named Salt who lives on Cayo Costa a nearby island Salt tells Harley tales of the dead pirate and the two use the legends to search for the gold But at the worst possible moment nature sends a category four hurricane named Charley to threaten their plans The Last Pirate 75 000 words was first published in April 2009 Since then there have been four additional printings due to demand The story appeals to a crossover audience from middle grade to adult readers The author Wilson Hawthorne earned a BA in Writing University of Georgia 1983 and has been writing for print and television ever since After years of plying local waters in his boat the story came naturally to Hawthorne Once he had bounced the idea off his children he knew the tale had promise and began work on the book in the summer of 2008 Since then the series has grown to include two sequels The Cajun Pirate 2010 and Curse of the Pirate 2012

What Is a Criminal? Katherine S. Gaudet, 2022-12-30 Bringing together a collection of essays by writers with diverse knowledge of the US criminal justice system from those with personal experience in prison and on patrol to scholarly researchers What Is a Criminal explores the category of criminal through the human stories of those who bear and administer that label This book performs a rare feat in bringing together the perspectives of justice impacted people those who work in law enforcement and social services and scholarly researchers Each chapter is a compelling narrative sharing the experience and perspective of a unique person with knowledge of the justice system The first section Incarceration Reentry and Rebuilding gives a glimpse into the black box of prison with firsthand accounts of daily life on the inside and the struggle to begin a new life after prison Section 2 Journeys in Law Enforcement presents perspectives from police officers school resource officers and corrections officers who are working to better their communities The third section Ripple Effects addresses some of the broader impacts of the justice system showing what it is like to be the child of an incarcerated parent to be profiled to be an undocumented immigrant and to make art about the justice system The final section Scholarly Perspectives is comprised of accessible articles by academics who study law and crime Each chapter stands alone as an individual story but taken together they provide a uniquely nuanced view of the US justice system This book will be of interest to anyone who wants to know more about criminality the US justice system and the people involved in it It is designed for a general audience with accessible compelling stories that will appeal to a variety of readers It is an effective text for college and high school courses about crime and criminality and provides excellent fodder for discussion in law enforcement and social services training programs or professional development workshops
