Pay Inequalities In The European Community:

Pay Inequalities in the European Community Christopher Saunders, David Marsden, 2014-05-20 Pay Inequalities in the European Community presents a comparative analysis of the distribution of earnings from employment in six countries of the European Economic Community Britain Belgium France the federal Republic of Germany Italy and the Netherlands The text covers aspects of the inequality of pay among individual workers inequality between sectors and industries in the economy between occupations and between men and women assessment of the relative importance of the elements in inequality and factors which may underlie differences in the patterns of distribution between countries such as training and promotion systems trade union bargaining policies and institutions and income policies Economists labor specialists and researchers will find the book a good source of information

The Gender Pay Gap in Europe from a Legal Perspective Petra Foubert, 2010 Sammenligning af ligestillingen i 33 europiske lande Tackling the Gender Pay Gap in the European Union European Commission, 2013 The gender pay gap is the difference between men's and women's pay based on the average difference in gross hourly earnings of all employees Closing the gender pay gap has long been a priority for the EU Editor **Tackling the Gender Pay Gap in the European Union**, 2013 The gender pay gap is the difference between men's and women's pay based on the average difference in gross hourly earnings of all employees Closing the gender pay gap has long been a priority for the EU Editor

Geschlechterverhältnisse, Geschlechterpolitik und Gleichstellungspolitik in der Europäischen Union Uta Klein, 2012-09-23 Das Buch gibt einen Überblick über Institutionen Akteure sowie Konzepte der EU Gleichstellungspolitik Errungenschaften und Fortschritte aber auch Beschränkungen und Blockaden einer auf veränderte Geschlechterverhältnisse zielenden Politik werden dargestellt Das Lehrbuch führt in zentrale Konzepte und Begrifflichkeiten ein und bringt eine empirische Bestandsaufnahme der Geschlechterverhältnisse in den Mitgliedsstaaten der EU Mit umfangreichem Informations- und Adressteil

Social developments in the European Union 2013 David Natali (OSE), 2014-06-01 The European Union has gone through a crucial period marked by growing anti EU sentiments and the difficult implementation of its largely renewed socio economic governance After years of in depth innovations and the hope of reinvigorating the E M U social dimension European institutions have engaged in a lively debate on how to exit the recession and relaunch the integration project While most Member States have continued to pursue punitive austerity programmes at a time when 27 million Europeans are unemployed and a quarter of the EU population is at risk of poverty most stakeholders namely the trade union movement and policymakers agree on the need for an EU driven growth strategy This 2013 edition of Social developments in the European Union provides key insights from analysts and scholars Through the critical assessment of the EU economic governance of the last few years contributors have set guidelines for a reinforced EU social protection and investment plan The proposals for a pan European unemployment insurance scheme and an EU minimum income scheme are analysed together with a renewed focus on the gender dimension

of European social policies Beyond economic and social governance this volume critically reviews national reforms of labour market policies While the state of the European economy is still gloomy the institutional and policy reforms proposed here represent an opportunity to unveil a new path for Europe Wage Differentials in the European Community Willem Molle,Aad van Mourik,1989

The Gender Pay Gap and Social Partnership in Europe Hazel Conley,Donata Gottardi,Geraldine Healy,Barbara Mikołajczyk,Marco Peruzzi,2018-12-06 The gender pay gap GPG exists in every European country but it varies considerably even in EU member states covered by the same legal principles on pay equality Part of the variation can be explained by different patterns of social partnership With current policy pressure to de centralise collective bargaining and increase the percentage of pay linked to productivity what role can social partnership play in tackling the GPG Reporting on the findings of the European Commission funded research project Close the Deal Fill the Gap this book uses an interdisciplinary analysis involving legal economic and sociological expertise to explore the role of social partnership in GPG in Italy Poland and the UK Selected on the basis of their contrasting profiles in terms of legal regulation industrial relations systems of collective bargaining coverage of collective agreements and differing rates of the GPG the in depth study provides important insights into the main issues underlying the problem of reducing the gender pay gap which have led to guidelines in the negotiation of arrangements on GPG related issues Based on a unique comparative interdisciplinary and action oriented research project it will be of great interest to all researchers and advanced students with an interest in women s representation in the workforce and the gender pay gap as well as practitioners and policy makers in organisations such as trade unions and employers associations

Koff,2021-06-23 This book discusses dental healthcare professionals in the European Union and EU policy output and activities in the context of Europeanization and its impact on oral health care Adopting a framework focused on an institution and its policies allows for discussion from the perspective of multiple actors both national and international The research is timely and significant because of the momentous changes that have taken and are taking place in healthcare delivery systems and professions in the Member States of the European Union In the book the author constructs a profile of the oral healthcare professions in the Member States creates an inventory of challenges faced by these professions illustrates the impact Europeanization and one of its organs the European Union have had on oral health care demonstrates the way in which national traits and institutions exercise a role in the transposition of EU outputs and catalogues the stages and views of some representatives of the dental team Topics explored include The First Stage of Professionalization Education Dental Care Professionals Regulation Member States Healthcare Provision The Workplace The European Union and the Dental Team Readers not only learn the fundamentals of oral health professions their realities and healthcare delivery but also become familiar with the political concepts institutions and practice related to the field The Dental Team in the European Union having academic and general interest as well as practical value appeals to diverse audiences The book is an invaluable resource for researchers and

practitioners in the social sciences and the healthcare and dental worlds It also can be used as required or supplemental reading for students in the healthcare professions public policy and political science Decision makers at various levels of government and persons affiliated with funding agencies as well as scholarly and professional associations in the United States and abroad also would find this a useful text Gender Inequality and Welfare States in Europe Mary

Daly,2020-02-28 Gender equality has been one of the defining projects of European welfarestates It has proven an elusive goal not just because of political opposition but also due to a lack of clarity in how to best frame equality and take account of family related considerations This wide ranging book assembles the most pertinent literature and evidence to provide a critical understanding of how contemporary state policies engage with gender inequalities *Pay Inequalities in the European Community* Christopher Thomas Saunders,David Marsden,1981 *The European Union and the Social Dimension of Globalization* Jan Orbie,Lisa Tortell,2009-01-13 Examines the nature of the EU and its external role in relation to social issues raised by globalization It explores how the EU influences both directly and indirectly the rest of the world in relation to the social component of globalization **European Welfare States and Globalization** Ali Hajighasemi,2019 This timely book assesses how Europe s welfare states have dealt with the challenges of globalisation and the financial crisis It asks whether the European Union has adopted a general strategy for dealing with four major threats to the sustainable development of European societies the employability of a growing number of redundant workers an aging population low birth rates and the persistent problem of gender inequality The book will be an important read for social policy scholars particularly those focusing on European welfare states how they differ and lessons to be learnt from them It also highlights key lessons from a broad range of case studies to help policymakers in understanding how and where improvements may be made in the future **The Economics of Gender Equality in the Labour Market** Meltem İnce Yenilmez,Gül Ş.

Huyugüzel Kışla,2021-03-07 This book evaluates the global labour market in the context of gender equality and the associated policies and regulations particularly in developing markets to recommend measures for encouraging gender equality It exposes the barriers that women employees encounter as well as some of the societal and workplace policies they specifically are subject to Important themes within this topic include participation rates the looming gap in hourly pay availability of part time and full time positions value and social status associated with jobs held by men and women The book examines how global gender policy objectives such as gender equality in careers gender balance in decision making and gender dimensions in research can be incorporated into policy frameworks The book analyzes the gendered nature of assumptions processes and theories The juxtaposition between family and work tradition and modernity and dependency and autonomy clearly still seems to be misunderstood Therefore the book asks whether work improves women s positions in society and or changes their roles in their families The authors explore and uncover the connections among employment entrepreneurship migration economies and gender global labour markets and provide helpful solutions to the perceptions

surrounding women's status risks and inequality that limit their economic participation This insightful read provides comprehensive details on a variety of themes and encourages further research on policies that are key to promoting gender equality The book will appeal to postgraduate students and researchers of labour and feminist economics the economics of gender women's studies and sociology *The Strategic Management of Place at Work* David B. Audretsch, Alice Civera, Erik E. Lehmann, Konstantin P. Leidinger, Jonah M. Otto, Laurenz Weiße, Katharine Wirsching, 2023-06-24 Global economic forces underpin political and social issues and have real impacts on the quality of life in local communities cities states and regions In the face of potential volatility leaders in every place concern themselves with how they can ensure local economic resiliency for present and future generations This book argues for the strategic management of places through intentional public policy that brings together stakeholders from the public private and nonprofit sectors to create an inclusive and sustainable economic path forward While many economists and political scientists have proposed one size fits all approaches this book puts forward a more holistic approach giving local leaders and policymakers the tools to take inventory of their local contexts and providing case study examples of how to craft public policies that create prosperous and sustainable economic conditions Is There a Glass Ceiling Over Europe?
