Payday A Novel:

Saving the World Through Science Fiction Michael R. Page, 2017-03-13 One of the major figures in science fiction for more than sixty years James Gunn has been instrumental in making the genre one of the most vibrant and engaging areas of literary scholarship His genre history *Alternate Worlds* and his *The Road to Science Fiction* anthologies introduced countless readers to science fiction He founded the Gunn Center for the Study of Science Fiction in 1982 But Gunn has also been one of the genre's leading writers His classic novels *Star Bridge* with Jack Williamson *The Joy Makers* *The Immortals* and *The Listeners* helped shape the field Now in his nineties he remains a prominent voice His forthcoming novel is *Transformation* Drawing on materials from Gunn's archives and personal interviews with him this study is the first to examine the life career and writing of this science fiction grandmaster

Masquerade, Crime and Fiction L. Peach, 2006-09-05 This study of crime and masquerade in fiction focuses upon the criminal as a performer Through stimulating discussions of a wide range of criminal types Peach argues for the importance of novels that have been neglected The book integrates incisive literary and cultural criticism with arguments about gender masquerade crime and culture

Payday Celia Walden, 2021-08-31 Jamie Laurence seems to have it all Charm confidence a beautiful wife and a successful career at the helm of a leading property development firm Until he's found dead apparently by his own hand It is a tragedy nobody can understand Nobody that is except three women very different people united by one thing their hatred of Jamie Laurence A drunken work event led them to share things with each other things they've never told anyone else Now they're asking themselves how well they really know each other and themselves Are their secrets safe with the other two And is one of them harbouring a secret darker than any of them could ever have imagined
