Peace And Unity Major Speeches1982 84:

A History of Social Justice and Political Power in the Middle East Linda T. Darling,2013-05-02 From ancient Mesopotamia into the 20th century the Circle of Justice as a concept has pervaded Middle Eastern political thought and underpinned the exercise of power in the Middle East The Circle of Justice depicts graphically how a government's justice toward the population generates political power military strength prosperity and good administration This book traces this set of relationships from its earliest appearance in the political writings of the Sumerians through four millennia of Middle Eastern culture It explores how people conceptualized and acted upon this powerful insight how they portrayed it in symbol painting and story and how they transmitted it from one regime to the next Moving towards the modern day the author shows how although the Circle of Justice was largely dropped from political discourse it did not disappear from people's political culture and expectations of government The book demonstrates the Circle's relevance to the Iranian Revolution and the rise of Islamist movements all over the Middle East and suggests how the concept remains relevant in an age of capitalism A must read for students policymakers and ordinary citizens this book will be an important contribution to the areas of political history political theory Middle East studies and Orientalism

Sexuality and War Evelyne Accad,1992-05 In this text the author explores what she argues is an indissoluble link between war and sexuality She explores the connections among sexuality war nationalism pacifism violence love and power as they relate to the body the partner the family political ideologies and religion

Power Sharing in Lebanon Eduardo Wassim Aboultaif,2019-01-15 This book studies the origins and evolution of power sharing in Lebanon The author has established a relationship between mobilization ethnurgy ethnic identification memory and trauma and how they impact power sharing provisions The book starts with the events in the 1820s when communities began to politicize their identities and which led to the first major outbreak of civil violence between the Druze and the Maronites Consequently these troubled four decades in Lebanon led to the introduction of various forms of power sharing arrangements to establish peace The political systems introduced in Lebanon are the Kaim Makamiya dual sub governorship a quasi federal arrangement the Mutassarifiya the prototype of a power sharing system the post independence political system of Lebanon which the book refers to as semi consociation due to the concentration of executive powers in the Presidential office and finally the full consociation of the Taif Republic In each of these phases there was a peculiar interaction between the non structural elements that had a direct impact on power sharing this led at times to instability and at other times it brought down the system as in 1840 1860 and 1975 Power Sharing in Lebanon is the first academic work that emphasizes the influence of the non structural elements that hinder power sharing This volume is now a key resource for students and academics interested in Lebanese Politics and the Middle East

Inside the Lebanese Confessional

Mind Hilal Khashan, 1992-08-24 Inside the Lebanese Confessional Mind is noteworthy in three regards First the study applies survey research to the analysis of confessional conflict in Lebanon As such it provides empirical data on an issue vital to Lebanon's future as an independent country Secondly the data reported in the study are compared to the results of survey research conducted in the years prior to the civil war In so doing it places current attitudes toward confessionalism in a longitudinal perspective Thirdly and perhaps most importantly the study integrates its survey data with a vast array of qualitative studies concerning the confessional problem in Lebanon Survey research is used to augment more traditional modes of scholarship Contents The Unmaking of Lebanese Society The Contours of the Study The Ecological Profile Some Relevant Aspects of Differentiation Internal Group Mechanism Basic Political Orientations Functional Requisites of Modern Political Behavior Determinants of Inter Group Perceptions The Second Republic and the Future Appendices Bibliography Index

A London Bibliography of the Social Sciences, 1931 Vols 1-4 include material to June 1 1929 Lebanon 1860-1960 Claude Boueiz Kanaan, 2005 A brief brutal clash in Lebanon in 1958 followed the build up of tensions between the country's most prominent communities Maronites Druze and Sunnis This quickly escalated into a full blown national crisis which saw US Marines landing on Beirut shores This period of Lebanese history is often seen as the product of friction between pan Arab nationalism and the growing threat to Western hegemony during the Cold War But while orientation towards the West or the Arab world was a critical feature of these times Kanaan argues that the 1958 flashpoint was the culmination of a century of unresolved conflict between these three groups Lebanon 1860-1960 is an insightful study of the various cultural interpretations that underlay Lebanon's vulnerable and volatile infrastructure leading to what the US Department of Defense referred to as like war but not war a confrontation that was to have repercussions in Lebanon and throughout the region for decades to follow book jacket

Middle East Bibliography Sanford R. Silverburg, 1992-06 Middle East Bibliography contains over 4 400 entries of books most of which have been published after 1980 giving this volume a definite contemporary flavor The materials are for the most part English language but include many entries in other Western European languages such as French and German and fewer in the Middle East languages of Arabic Hebrew and Turkish There was a special effort to be as inclusive as possible on popular topics such as the Salman Rushdie affair and women in the Arab world This bibliography was compiled with the aim of providing diverse topics of interest dealing with the region in the Middle East its people and its cultures to a wide range of interested people scholars to laypeople

Mémoires de guerres au Liban Christophe Varin, 2010 *Le Liban aujourd'hui* Fadia Kiwan, Ahmad Beydoun, 1994 **La condition libanaise** Nawwāf Salām, 1998 *Des présidents et de l'exercice des fonctions présidentielles* Leila Barakat, 2007

Whitaker's Cumulative Book List, 1985 *Peace and Unity* Amīn Jumayyil, 1984 The contents of this volume represent a vision not only of one man but of all who cherish the ideals of freedom democracy peace and harmonious coexistence These the major speeches of President Amine Gemayel during his first year and a half in office shed much light

on the oft misunderstood causes behind the nine year conflict in Lebanon and help us to appreciate the gargantuan task that faced the new President. They also evoke the remarkable resilience of the Lebanese people, an innate characteristic which has enabled them to maintain their optimism throughout the most difficult and dangerous times. Lebanon's terrible ordeal will no doubt come to an end as all her ordeals have done throughout her history. Her people have set an example to the world in their determination to uphold democratic principles. Lebanon is perhaps the only true democracy in the Middle East and to endure as an independent nation embracing widely varying cultural and religious persuasions. These qualities are vividly depicted in the speeches of their President, two elements of which stand out above all others: his boundless faith in Lebanon and his genuine search for peace. Some of the speeches were given in English but the majority have been translated from the Arabic original. Together they form an eloquent testimony to the integrity of President Gemayel; they show also an admirable preference for plain speaking and a noteworthy adherence to the truth. They were delivered to a wide variety of audiences the world over and consequently touch upon a diversity of subjects and issues. Some of them, in view of subsequent events, have a truly prophetic ring. Jacket
