Peace Now Peace For The Future Selected Speeches And Writings:

Peace Now, Peace for the Future Andreï Andreevich Gromyko, 1984 *Macmillan, Khrushchev and the Berlin Crisis, 1958-1960* Kitty Newman, 2007-01-24 This new study casts fresh light on the roles of Harold Macmillan and Nikita Khrushchev and their efforts to achieve a compromise settlement on the pivotal Berlin Crisis Drawing on previously unseen documents and secret archive material Kitty Newman demonstrates how the British Prime Minister acted to prevent the crisis sliding into a disastrous nuclear conflict She shows how his visit to Moscow in 1959 was a success which convinced Khrushchev of a sincere effort to achieve a lasting settlement Despite the initial reluctance of the French and the Americans and the consistent opposition of the Germans Macmillan's subsequent efforts led to a softening of the Western line on Berlin and to the formulation of a set of proposals that might have achieved a peaceful resolution to the crisis if the Paris Conference of 1960 had not collapsed in acrimony This volume also assesses Khrushchev's role which despite his sometimes intemperate language was to secure a peaceful settlement which would stabilize the East German regime maintain the status quo in Europe and prevent the reunification of a resurgent nuclearized Germany thereby paving the way for disarmament This book will be of great interest to all students of post war diplomacy Soviet foreign policy the Cold War and of international relations and strategic studies in general

the Gospel of the Lion of Judah, a student's guide Roland van Reenen, 2011-12-08 We must become something we have never been and for which our education and experience and environment have ill prepared us In this speech of Emperor Haile Selassie I he is urging us to become something for which our education have ill prepared us for The Gospel of the Lion of Judah is a response to that call of Haile Selassie I to prepare the upcoming generations for the world he envisioned This book contains those timeless extracts of the vision of Haile Selassie I It does not claim to be complete but it wants to serve as a guiding light for the new generations It merely wants to sow some seeds of the high ideals and morality of His Majesty in the still fertile minds of the youths Seeds which might be nurtured and taken care after by the questions and tasks at the end of each chapter With these tasks the students are invited to look into the world around them but more important invited to look into themselves into the depths of their souls to find their own answers to the demands of a new race
