East the rise of Japan and the awakening of China to proxy conflicts in Latin America Africa and Asia Reagan's team oversaw the worldwide expansion of democracy globalization free trade and the information revolution Yet no issue was greater than the Cold War standoff with the Soviet Union As president Reagan remade the four decades old policy of containment and challenged the Soviets in an arms race and ideological contest that pushed them toward economic and political collapse all while extending an olive branch of diplomacy as he sought a peaceful end to the conflict Reagan's revolving team included Secretaries of State Al Haig and George Shultz Secretaries of Defense Caspar Weinberger and Frank Carlucci National Security Advisors Bill Clark John Poindexter and Bud McFarlane Chief of Staff James Baker CIA Director Bill Casey and United Nations Ambassador Jeane Kirkpatrick Talented and devoted to their president they were often at odds with one another as rivalries and backstabbing led to missteps and crises But over the course of the presidency Reagan and his team still developed the strategies that brought about the Cold War's peaceful conclusion and remade the world Based on thousands of pages of newly declassified documents and interviews with senior Reagan officials *The Peacemaker* brims with fresh insights into one of America's most consequential presidents Along the way it shows how the pivotal decade of the 1980s shaped the world today
