PEACEMAKING AND THE IMMORAL WAR: ARABS AND JEWS IN THE MIDDLE EAST Elias H. Tuma,1972

Peacemaking and the Immoral War: Arabs and Jews in the Middle East Elias H. Tuma,1972 Economic and Political Change in the Middle East (RLE Economy of Middle East) Elias Tuma,2014-10-30 In the early 1960s the Middle East suffered from political instability inefficiency of government widespread poverty and inequality low productivity and a mounting population pressure on the region s resources With the exception of some of the oil exporting countries the entire region still suffers from these same burdens There have been many studies in the economic development and industrialization of the region in recent years This study is different motivated by scepticism and a sense of intellectual frustration and apprehension because of the apparent inadequacy of socioeconomic and political development in the Middle East First published in 1987 **Beyond America's Grasp** Stephen P. Cohen,2009-10-27 AN INCISIVE WHITE PAPER ON THE UNITED STATES S STRUGGLE TO FRAME A COHERENT MIDDLE EAST POLICY In this book the Middle East expert Stephen P Cohen traces U S policy in the region back to the breakup of the Ottoman Empire when the Great Powers failed to take crucial steps to secure peace there He sees in that early diplomatic failure a pattern shaping the conflicts since then and America s role in them A century ago there emerged two dominant views regarding the uses of America s newfound power Woodrow Wilson urged America to promote national freedom and self determination through the League of Nations in stark contrast to his predecessor Theodore Roosevelt who had advocated a vigorous foreign policy based on national self interest Cohen argues that this running conflict has hobbled American dealings in the Middle East ever since In concise pointed chapters he shows how different Middle East countries have struggled to define themselves in the face of America s stated idealism and its actual realpolitik This conflict came to a head in the confused clumsy Middle East policy of George W Bush but Cohen suggests the ways a greater awareness of our history in the region might enable our present leaders to act more sensibly The Mutuality of Annihilationism in the Arab-Israeli Conflict Elias H.
