Peacocks Dancing:

When Peacocks Dance Juhi Sinha, 2013-08-15 Who can suppress excitement at the first sighting of looming monsoon clouds Who can deny the joyful prospect of relief from the unrelenting heat of an Indian summer The season draws every corner of our vast diverse country together regardless of what we call it how we deal with it or where we live we all understand the monsoon In this anthology Juhi Sinha celebrates the monsoon with monsoon recipes and festivals from different parts of the country and fiction and poetry both modern and historical With Khushwant Singh Ruskin Bond and Rabindranath Tagore the Meghaduta the Ramayana and the Rig Veda and of course Alexander Frater this book is the perfect medley to bring the rains alive anytime and anywhere

Dance O' Peacock Aruna Jethwani, 2010-02-01 The novel opens up uncomfortable questions about the biological and social lack and love and reform and rebellion to which there are no easy answers Dance O Peacock is a truly engaging account of a woman's search for love meaning and calling a search for herself Dr Sharmila Rege Director KSP Women's Studies Centre University of Poona Pune Dance O Peacock is the story of Neelam an intelligent and independent woman She struggles hard to get rid of the oppressing tradition of taboos To find solace and to build up inner strength she puts relationships at stake and rigorously strives for emotional and intellectual freedom where she can have every right to nurture the weltanschauung of her own Neelam's voice against the tradition and history that have thrown her into such a predicament could be termed feminist Dr Khursheed Alam Urdu writer

When Peacocks Dance Vasanthi Victor, 2003 In these stories there is an interweaving of the past and the present while the main characters women are seemingly engaged in some ordinary pursuit of daily life As in *The Long Journey* where Kamala is traveling by rail or in the case of Nirmala in *The Corner Laundromat* Asha waiting to pick up her child outside school in *Blessing From Above* Uma commuting to work in Silicon Valley in *Suburban Mona Lisa* the small betrayals or infidelities in their lives whether real or imagined and their effort in surmounting these form the main theme of this collection The stories are short and precise and written in a compelling narrative voice that draws the reader in There are no boundaries here whether it be the U S or India they all celebrate women's lives their trials and tribulations and the heartfelt messages of soul and survival Vasanthi Victor's stories are infused with tastes and textures of India Her ability to transform the mundane and ordinary with her words drew me into her stories and I stayed with her characters through their sorrows their dreams and their victories

Amulya Malladi author of *A Breath of Fresh Air* and *The Mango Season* The surprises emerge when we realize the skill with which she is able to portray the wide range of characters in her stories short and precise and the narrative voice is fascinating These are the kinds of stories that may become the stitches that keep our lives seamed together from the foreword by Roshni Rustomji Kerns author of *The Braided Tongue* editor of *Living In America* and other anthologies

urge of every heart at its noblest to discover the full possibilities of life Anyone dissatisfied with the scant potential of mundane existence is naturally stimulated by the prospect of finding even vicariously a world of greater liberty There should be some better place for the soul Why should happiness be so elusive and why should confusion and resentment always shroud the mind s eye making it unable to see clearly what is in front of it Srila Sanatana Gosvami s Brhad bhagavatamrta written in Sanskrit nearly five hundred years ago is a gemlike example of the quest genre but different from the sort commonly encountered in fable and fiction Narada and Gopa kumara the respective heroes of this book s two parts are searching for a key to fulfillment much subtler than wealth influence mundane love the Fountain of Youth or even the Holy Grail Narada has vast experience of the cosmos Gopa kumara is illiterate and naive yet they share the same vision of what is most valuable What both want is not to conquer or exploit on any level but to explore the mystery of selfless service As Narada already knows and Gopa kumara will gradually learn the superior mode of life they seek is personal and defined by the interplay of those who take part in it rather than by material laws of nature In Part Two of Sri Brhad Bhagavatamrta the book s hero Gopa kumara an illiterate naive cowherd living near Govardhana Hill in Vrindavan is inspired by a mysterious bhakta to start on a spiritual quest His journey takes him in this volume all the way from his home to Vaikuntha Ayodhya and from sraddha to almost perfect prema Gopa kumara s adventure is different from the hero s journeys we read about in less spiritual literature because he explores the material universe not with his sights set on mundane wealth or power or romance but the sweetness of confidential selfless devotional service to his dearest Lord and friend Sri Krishna It is this focus that takes him beyond all temporal dimensions into the spiritual world beyond
