The Submariner's Dictionary Or Submariner's Compendium of Terms & Tar's Handbook of Naval Verbiage and Retired Guy's Re-familiarization Manual Ron Martini, 2005 Submariners are a tight knit group of men bound together by training and experience and with a language all their own That language is perhaps a little vulgar but never intentionally demeaning and a little irreverent but still worldly This work is an attempt to preserve and explain some of these curious guys who so proudly wear a shiny metal pin that looks like a strange pair of fish on their left breast This process of accumulating this new language begins in Boot Camp and is added to with every change of duty station the sailor undergoes It is heard aboard the boats and unknowingly by family members who can't understand terms like head deck and overhead and who think SOS is a distress signal
