Peasants and Tobacco in the Dominican Republic, 1870-1930 Michiel Baud, 1995-01-01 *Peasants and Religion* Mats Lundahl, Jan Lundius, 2012-10-02 This book examines the relationship between economics politics and religion through the case of Olivorio Mateo and the religious movement he inspired from 1908 in the Dominican Republic The authors explore how and why the new religion was formed and why it was so successful Comparing this case with other peasant movements they show ways in which folk religion serves as a response to particular problems which arise in peasant societies during times of stress Identity and Struggle at the Margins of the Nation-state Aviva Chomsky, Aldo Lauria-Santiago, 1998 A social history of Central America and the Spanish speaking Caribbean that illustrates the importance of workers actions in shaping national history *General History of the Caribbean* Higman, B.W., UNESCO, 1905-06-21 This volume looks at the ways historians have written the history of the region depending upon their methods of interpretation and differing styles of communicating their findings The chapters discussing methodology are followed by studies of particular themes of historiography The second half of the volume describes the writing of history in the individual territories taking into account changes in society economy and political structure The final section is a full and detailed bibliography serving not only as a guide to the volume but also as an invaluable reference for the General History of the Caribbean as a whole *Tobacco Counters Health (Vol. 4)* A.K. Verma (ed. By), 2006 The book entitled Tobacco Counters Health edited by A K Verma gives a detailed account of the proceedings of World Assembly on Tobacco Counters Health held from 5 9 December 2005 in New Delhi India Volume 4 includes selected manuscripts from the scientific deliberations of the 4th World Assembly They cover a large field of tobacco related problems related to public health spread over fields like oncology cardiology pulmonology Social and Moral Research and their Management thus stressing the difficulties in and laying stress on prevention Realising that one fourth lung cancer deaths are due to the use of tobacco the volume aims at carrying the message to the widest section of the Public The book is essential for not only those engaged in medical sciences but even for the general public The Rough Guide to the Dominican Republic Sean Harvey, 2013-10-10 The Rough Guide to the Dominican Republic is the definitive guide to this beautiful and fascinating island with clear maps and detailed coverage of all the Dominican Republic s best attractions Discover the Dominican Republic s highlights with stunning photography and information on everything from the country s pine forested mountain ranges and tropical mangrove estuaries to its humpback whale breeding grounds and ancient Taino Indian sites Find detailed practical advice on what to see and do relying on up to date descriptions of the best hotels beaches and out of the way areas for all budgets This guide shows you every amazing place in the Dominican Republic and describes each aspect of the fascinating local history and culture Explore every part of this beautiful country with easy to use maps that help make sure you don t miss the unmissable Originally published in print in 2011 Make the most of your holiday with The Rough Guide to the Dominican Republic Now available in ePub format Political Authoritarianism in the

Dominican Republic Christian Krohn-Hansen, 2009-01-13 What is authoritarian rule and how can we best study it Using the case of the twentieth century Dominican southwest this book investigates new ways of analyzing political authoritarianism The Dominican Republic was ruled for several decades in the twentieth century by the dictator Rafael Trujillo and later by another authoritarian leader Joaquín Balaguer In this study Krohn Hansen examines from below the state formation headed by Trujillo and Balaguer The book offers a historical ethnography from one part of the country Krohn Hansen argues that it should be imperative to approach authoritarian histories like other histories on the basis of detailed investigations of power relationships everyday practices and meanings **European Review of Latin American and Caribbean Studies**, 2001

Directory of Dominicanists, 1998 **Sugar and Power in the Dominican Republic** Michael R. Hall, 2000-01-30 A study of the powerful impact that sugar had on U S Dominican relations as the primary vehicle of reciprocal manipulation from 1958 to 1962 Sugar and Power examines the development of the sugar industry in the Dominican Republic Hall uncovers new evidence that supports the belief that U S Latin American relations during this period were frequently a two way street with the United States reacting to Latin American initiatives just as frequently as Latin Americans responded to American initiatives Both Eisenhower and Kennedy used sugar quota legislation as a foreign policy tool At the same time the Trujillo regime played upon Washington's fear of communism in response to the Cuban revolution to obtain an expanded sugar quota Drawing heavily on U S and Dominican government documents this study argues that the U S initiated economic sanctions against Trujillo to gain hemispheric support against Castro's Cuban revolution Kennedy expanded those sanctions in an attempt to push the Dominican Republic along the path toward democracy Although Juan Bosch's election at the end of 1962 and the allotment of a generous sugar quota indicated the apparent success of U S foreign policy toward the Dominican Republic the overthrow of Bosch in 1963 indicated that the path toward democracy was longer than American policy makers had anticipated This case study in the role of economic coercion in U S Latin American relations during the Cold War tries to present a balanced account of both sides of the story *Plunder for Profit* Elijah Doro, 2023-04-13 Exploring over a century

of Zimbabwe's colonial and post colonial history Elijah Doro investigates the murky and noxious history of that powerful crop tobacco In a compelling narrative that debunks previous histories glorifying tobacco farming Doro reveals the indelible marks that tobacco left on landscapes communities and people Demonstrating that the history of tobacco farming is inseparable from that of colonial encounter Doro outlines how tobacco became an institutionalised culture of production which was linked to state power and natural ecosystems and driven by a pernicious heritage of unbridled plunder With the destruction of landscapes the negative impacts of the export trade and the growing tobacco epidemic in Zimbabwe tobacco farming has a long and varied legacy in southern African and across the world Connecting the local to the global and the environmental to the social this book illuminates our understandings of environmental history colonialism and sustainability

The Hispanic American Historical Review James Alexander Robertson, 1996 Includes Bibliographical section Ethnicity in the Caribbean Gert Oostindie, 1996 This collection of essays addresses the workings of ethnicity in the Caribbean focusing on the significance of ethnicity for social structure and national identity Temporally the contributions range from the initial European colonization through to today's post colonial Caribbean Topics discussed include the international repercussions of Haiti's black revolution the position of French Caribbean bekes and Barbadian redlegs race in revolutionary Cuba Jamaica's post independence culture and the predicament of Dutch Caribbean decolonization The essays provide a comparative perspective for the study of ethnicity as a crucial factor shaping both intimate relations and the public and international dimension of Caribbean societies **Dominican Republic** Sean Harvey, 2000 One of the Caribbean's favorite destinations gets the full Rough Guides treatment in this brand new guide From beaches to baseball mountains to merengue this spicy country never stops moving to a lively beat Rough Guides hits all the hotspots with hundreds of recommendations and reviews in Santo Domingo and elsewhere for all budgets and ensures that you'll meet the people who call this land home

The Slave Societies of the Caribbean, 1997 Methodology and Historiography of the Caribbean B. W. Higman, 1999 The principal objective of this volume is to provide a survey of the development of historical understanding in the region It also seeks to point to the future setting out a new agenda and reflecting on the potential of new methods and interpretations

The Caribbean in the Twentieth Century Bridget Brereton, Teresita Martínez Vergne, René A. Römer, Blanca G. Silvestrini, 2004 The major objective of this publication is to provide an account and interpretation of the historical development of the region from around 1930 to the end of the century Within its compass are the turbulent thirties including the Cuban Revolution of 1933 and the labour protests in the British Caribbean of 1934 the strategic position occupied by the region during the Second World War the development of proletarian movements and trade unions and their links with political parties decolonization political evolution in the French and Dutch Caribbean and the turn to the left made in the 1970s by a number of Anglophone Caribbean countries notably Grenada Also examined are the Castro Revolution and its aftermath to the 1990s ethnicity and race consciousness and their effects in uniting or dividing communities and nations international relations and regional co operation changes in social and demographic structures including the role and status of women education migration and urbanization and the beliefs and cultural experiences which underpin Caribbean identity The final chapter provides an overall survey of changes in the quality of life in the Caribbean during the twentieth century

New West Indian Guide, 2000 **Dominican Cultures** Bernardo Vega, 2007 While the Spanish brought their religion language values and traditions to the island to form the cornerstone of the Dominican culture a later influx of Germans Irish Italians and Sephardic Jews from the Dutch Caribbean and Lebanon added further variety Traditional histories of the island have long overlooked the influence of black Africans on the national heritage although this rich cultural legacy is evident in many areas And while there has been ample discussion of the indigenous Taino people very few of them survived over the

centuries and they left a lesser lasting imprint limited to agriculture diet language and religion This distinctive cultural amalgam provides the backdrop for this book which has become a classic text in the Dominican Republic It is the first book to acknowledge creolization as the dominant feature of Dominican culture The contributors are Dominican scholars and journalists and they have also served as diplomats university professors museum directors and artists
