Peer Counselling In Schools A Time To Listen:

Peer Counselling in Schools Helen Cowie, Sonia Sharp, 2017-09-13 Originally published in 1996 this book is about the role of peer helping in alleviating interpersonal difficulties among young people in school settings It is based on real life experience on the part of the two editors and their contributors in training and developing peer counselling services in local schools in order to strengthen policies on bullying equal opportunities and related personal issues Young people s experience of being actively engaged in helping their peers has a positive effect on self esteem and heightens a sense of responsibility and citizenship in the young people involved The book seeks to help teachers educational psychologists social workers and others working with young people to appreciate the value of peer counselling and to introduce it into their practice

Breaktime and the School Peter Blatchford, Sonia Sharp, 2005-06-27 Offers a highly accessible account of the latest research into children s play and behaviour Staff in primary and secondary schools governors and advisers will all find the book essential reading

Peer Support Works Netta Cartwright, 2007-07-25 Peer support is increasingly being adopted by schools as a means of proactively preventing and tackling problems The book s main focus is on the sustainability of peer support programmes since many schools initiate such schemes but find it hard to sustain them over time with each new generation of students

Peer Support in Action Helen Cowie, Patti Wallace, 2000-09-13 It would be of use to adults and teachers who are starting to research peer support and the logistics of adopting such a scheme in their school It would also be of use to staff who are currently operating a peer support scheme I personally will use this book and keep a copy in the counselling service library recommending it to counsellors trainers and teachers interested or already facilitating peer support in their schools British Journal of Guidance and Counselling It is to read comprehensive in its structure and advice and through examples of first hand experiences makes the reader feel enthusiastic about trying out different ideas An excellent handbook for the manager of a peer support system for any organization Anne Woodhouse Clinical Child Psychology and Psychiatry Peer support systems are increasingly being used in schools and other youth settings to tackle problems such as bullying rejection social exclusion sexual identity self esteem and loneliness Peer Support in Action is a practical guide which gives adults who work with children and young people the knowledge understanding and practical tools to provide effective and appropriate systems of peer support Helen Cowie and Patti Wallace combine insights drawn from practice with up to date research findings to give a sound basis for peer based interventions They encourage readers to build on the potential for offering help which many young people have and give practical guidance on how to train guide and supervise them in supporting their peers Peer Support in Action is for teachers educational psychologists social workers education welfare officers counsellors and counselling psychologists and all professionals involved in the pastoral care and guidance of children and young people

Teacher Support Teams in Primary and Secondary Schools Angela Creese, Brahm Norwich, Harry Daniels, 2013-11-26 Teacher support teams are school based problem solving groups which

function to support pupils indirectly through teacher collaboration This handbook offers training information and activities useful in the setting up running and evaluation of this provision

Mental Health in Schools Mark Prever, 2006-10-12 A clearly written well structured and practical account of how to help and support children and young people with mental health problems and those at risk of developing such problems The book concludes with an excellent listing of organisations and resources SENCO Update A highly practical and impressive book I like the short introductions and the concise summing up within each chapter The book is suitable for teachers as well as counsellors and outside agencies involved in school referral work deserves to be widely read and to have its ideas put into practice

Therapy Today I feel the book should be compulsory reading for everyone who works with young people but especially pastoral heads and senior teachers with responsibilities in this area

Janine Phillips Class Teacher **Mental Health** is now a mandatory component of the PSHE Personal Social and Health Education curriculum This book is a practical guide for teachers explaining the difference between counselling and counselling skills as well as looking at how mental health issues affect children s behaviour self esteem motivation and achievement and so on and what the school can do about this Issues covered include the difference between counselling and counselling skills employing a counsellor in schools how to set up and run counselling provision in a school information on counselling psychotherapy and talking therapies when to refer peer support mental health and emotional intelligence in the curriculum lesson ideas and plans for PHSE
