Pegasus In Space:

Pegasus In Space Anne McCaffrey, 2012-07-31 Let Anne McCaffrey storyteller extraordinaire and New York Times and Sunday Times bestselling author open your mind to new worlds and new concepts telepathy and tele kinetics Worlds where amazing gifts can lead to power and persecution Perfect for fans of David Eddings Brandon Sanderson and Douglas Adams Anne McCaffrey one of the queens of science fiction knows exactly how to give her public what it wants THE TIMES Wonderful Reader review Uplifting and inspiring Reader review Totally gripped me Reader review There is only one word for this AMAZING Reader review Peter Reidinger was the most brilliant and powerful telepath and telekinetic yet discovered on earth He was also barely fifteen years old who moved his body through kinesis When the telepaths of earth suspected a plot to take over Padrugoi the newly manned space station they realised they needed his unique gifts to foil the insane plans of Barchenka the space construction manager but even they didn't realise how strong were his abilities to read the minds of those about him and move heavy loads over vast distances As his career progressed so his talents increased beyond the dreams of those trying to reach out into space Peter Reidinger was going to be the salvation of man's exploration of the stars And even as he became the most important man on earth so his friendship with the tiny orphan girl found in the floods of Bangladesh grew and flourished For Amariyah too had psychic gifts which no one at first could define But these special people were constantly at risk hated and feared by the avaricious the evil and the ignorant whose constant ambition was to destroy Peter Reidinger and those like him

Pegasus In Flight Anne McCaffrey, 2012-07-31 Let Anne McCaffrey storyteller extraordinaire and New York Times and Sunday Times bestselling author open your mind to new worlds and new concepts telepathy and tele kinetics Worlds where amazing gifts can lead to power and persecution Perfect for fans of David Eddings Brandon Sanderson and Douglas Adams Anne McCaffrey one of the queens of science fiction knows exactly how to give her public what it wants THE TIMES One of those can't put it down books Reader review Anne McCaffrey does it again Reader review So exciting Reader review Absolutely fantastic Reader review Earth was at bursting point in spite of the birth restrictions of only one child to each couple Extra children existed in a sub cultured world or were rounded up into slavery The only hope was the space platform the jumping off point for the colonization of other worlds But more Talents were needed to build and operate those platforms Rhyssa Owen was the one responsible both for finding Talents and training them And when she felt the first encroachment of a mind reaching out to her she knew it was exceptional a fourteen year old boy with incredibly powerful kinetic ability And in the seamy underworld of near criminal children was another brilliant mind in danger from a ruthless group of child kidnappers Rhyssa knew she had to find the two children and train them for the survival of earth

Pegasus in Flight Anne McCaffrey, 1991-10-13 Anne McCaffrey's world of the Talented is as vivid as that of Pern and its dragons Publishers Weekly Earth has reached its darkest moment In subterranean warrens the poor eke out precarious lives where jobs are scarce and children are sold for labor while on the surface a privileged few enjoy lives of

luxury As the population surges and unrest spreads a disaster of epic proportions seems inescapable The only hope a platform under construction in space from which starships will be launched to colonize distant planets But the project is critically behind schedule In the midst of the chaos Rhyssa Owen and her fellow Talents telepaths who read minds kinetics who manipulate matter and precogs to whom the future is an open book struggle to survive Then two children are discovered whose extraordinary psychic gifts have the potential to avert the looming catastrophe or hasten its ominous arrival
