The Cry of Vertières Jean-Pierre Le Glaunec, 2020-05-21 This book tells the story of the Battle of Vertières fought in 1803 between indigenous Haitian forces under the leadership of Jean-Jacques Dessalines and a French expeditionary army commanded by Napoleon The battle marked the culmination of a thirteen year revolutionary struggle to end slavery and the dawn of an independent Haiti Yet despite its pivotal importance to the history of Haiti France and the Americas the Battle of Vertières has been struck from the record The Cry of Vertières is the first book length study of the battle drawing from an array of sources including military correspondence Haitian literature art and popular music The event itself is recounted in vivid detail it is a dramatic story of a volunteer army of former slaves seeking the promises of freedom and citizenship held out by the revolution defeating a colonial power determined to re-enslave them The book also examines why the history of the battle has been suppressed in France an act of erasure of a humiliating defeat and why it remains fragile even in Haiti Jean-Pierre Le Glaunec explains that today Vertières is both a key lieu de mémoire that embodies reconciliation pride and strength for the Haitian people and a figure of speech exploited by politicians to reinforce their power Describing a decisive yet largely forgotten moment in the revolutionary history of the Americas The Cry of Vertières makes an essential contribution to the complex subjects of race memory colonialism and cultural nationalism in present day France and Haiti

Haiti Patrick Bellegarde-Smith, 2004-05-14 The updated edition of this perceptive study could hardly appear at a more auspicious moment as the latest phase of the tragedy of Haiti is unfolding It brilliantly illuminates the rich tapestry of Haitian culture and reveals the remarkable resilience of the Haitian people subjected to centuries of rapacity and violence and brutally punished for revealing the limited definition of freedom adopted by the French and American revolutions in the author's accurate words As he relates they have continued to teach such lessons to this day frightening the rich and powerful in their own tortured land and at the centers of global rule It is our great loss if we choose not to understand and there is no better starting point than this learned and penetrating inquiry Noam Chomsky Institute Professor Emeritus Department of Linguistics and Philosophy MIT

L'histoire de l'AFD en Haïti. PACQUEMENT François, LOMBARD Margaux, 2018-07-11 Haïti paraît inextricablement noué à l'aide internationale dont les montants et les effectifs enflent mesure

des années Le terrible sisme de 2010 a conforté parfois de multiples tendances qui étaient déjà perceptibles auparavant Les acteurs humanitaires y ont notamment connu un essor sans précédent l'urgence semblant prendre le pas sur les visions de plus long terme Cet ouvrage retrace l'histoire d'un bailleur de fonds international en Haïti l'Agence française de développement AFD de 1975 nos jours Il dévoile les ressorts du financement du développement en prenant appui sur des archives internes et des témoignages Il vise interroger la politique d'aide au plus près des personnes qui la mettent en œuvre partir de l'un de ses terrains Pays évidemment singulier Haïti apparaît comme un cas symptomatique des limites de l'aide au développement redoublées d'obstacles spécifiques En découle un sentiment de fatalité diffus qu'il convient de remettre en question Dans sa démarche historique ce livre s'attache à révéler les termes d'une étrange hybridation entre engagement et déception volonté d'agir et sentiment d'impuissance Il laisse entrevoir les perspectives qui se dégagent des défis surmontés autant que des failles et des forces de la coopération avec Haïti

Peintures haïtiennes d'inspiration vaudou, 2007 Malgré les perscutions dont il a fait l'objet le vaudou imprègne aujourd'hui la culture haïtienne Il a donné naissance des formes artistiques originales comme en témoigne la peinture populaire Expression de résistance source d'émancipation l'art vaudou est une forme d'expression complexe où chaque forme chaque couleur renvoie des codes que les auteurs de ce livre s'attachent à expliciter tout en mettant en perspective les origines de cette culture haïtienne
