A human company is real, genuine, aligned, and true to itself. A real company flaunts its humanity instead of hiding it. It's what the most successful sustainable companies are doing today, and there's no reason yours can't be the same. Keswin's leadership lessons foster fairness, devotion, and joy in the workplace, all critical elements of a successful business. By bringing your human to work, you can design a workplace that is good for people, great for business, and just might change the world.
