Symbols Compiled and Classified for Ready Reference ,1971 **Pictographic Score Notation** Gardner Read, 1998-05-12
This text provides the first comprehensive examination of pictographic notation Pictographic musical notation represents the
relevant instruments themselves rendered visually rather than verbally Used most extensively in contemporary publications
between the 1950s and 1980s its popularity has waned in recent years This expertly researched work displays the
resourcefulness and inventiveness of 20th century orchestrators Providing a detailed examination of pictographic score
notation this unique book passes over 60 years of contemporary composition and score publications Divided into three
sections this work describes instrumental pictographs stage diagrams and pictographic performance directives In addition to
the thoroughly researched information and extensive technique illustrations commentary on individual examples and
frequent cross referencing of related examples differentiate this work from other journal articles and notation texts **The**
