

Shiva And Dionysus

Melanie Schmidt

Shiva And Dionysus:

Gods of Love and Ecstasy Alain Daniélou, 1992-05 Dani u examines the earliest traditions of the Hindu and Greek gods of magical power ecstatic sexuality and transcendence *Shiva and Dionysus* ,1979 Shiva and Dionysus ,1982 **Shiva and Dionysus: the religion of nature and eros** Alain Danielou, 1984 **Women, Androgynes, and Other Mythical Beasts** Wendy Doniger, Wendy Doniger O'Flaherty, 1982-11-15 An important provocative and original work of great interest to Indian scholars historians of religions psychologists and historians of ideas but accessible also to the cultivated reader Even if one does not always agree with the author s interpretation one cannot but admire her vast and precise learning her splendid translations and exegesis of so many and so different Sanskrit texts and her uninhibited brilliant and witty prose Mircea Eliade University of Chicago This is a book which is as rich in detail as the carvings of the great Hindu temples It shares with them a delight in the interplay of myth and mundane experience and above all an empathy with the Hindu preoccupation with the meaning of human existence in all its complexity G M Carstairs Times Literary Supplement

Maurice Béjart - Balancen der Antithese Melanie Schmidt, 2008 Contient la liste des oeuvres de Maurice B jart p 323 356 ainsi que la retranscription de l interview de Maurice B jart par Jean Duvignaud en 1967 p 363 372 **The Exegesis of Philip K Dick** Philip K Dick, 2012-04-19 Based on thousands of pages of typed and handwritten notes journal entries letters and story sketches The Exegesis of Philip K Dick is the magnificent and imaginative final work of an author who dedicated his life to questioning the nature of reality and perception the malleability of space and time and the relationship between the human and the divine Edited and introduced by Pamela Jackson and Jonathan Lethem this will be the definitive presentation of Dick s brilliant and epic final work In The Exegesis Dick documents his eight year attempt to fathom what he called 2 3 74 a postmodern visionary experience of the entire universe transformed into information In entries that sometimes ran to hundreds of pages Dick tried to write his way into the heart of a cosmic mystery that tested his powers of imagination and invention to the limit adding to revising and discarding theory after theory mixing in dreams and visionary experiences as they occurred and pulling it all together in three late novels known as the VALIS trilogy In this abridgment Jackson and Lethem serve as guides taking the reader through the Exegesis and establishing connections with moments in Dick s life and work Shiva und Dionysos Alain Daniélou, 2021-03-08 *Apologie des Christenthums* Paul Schanz, 1897 **The Balance of Nature's Polarities in New Paradigm Theory** Dirk Dunbar, 1994 Composed of scholars such as Joseph Campbell Alan Watts Fritjof Capra Theodore Roszak and Sam Keen the New Paradigm movement purports that Western culture is reintegrating an ecological feminine impulse into its dominantly masculine rational value system By surveying the scholarship and focusing its message this study shows how the West s valorization of reason control and progress forced the awareness of nature s balance as exhibited in Earth wisdom underground for over two millenia until the spiritual revolution of the 1960s initiated an extensive attempt to reintegrate it **Das litterarische Echo** ,1923 Catastrophe Practice

Nicholas Mosley, 2013-04-02 Catastrophe Practice in the form of three plays with prefaces and a novella follows six characters trying to find their way through some catastrophe that is less in the world outside than in their minds Drawing upon catastrophe theory to examine the discontinuities in human personality and our tendency to progress suddenly rather than smoothly the six characters struggle to disrupt traditional ways of being These characters feel that conventional ways of interpreting the world have become destructive conventional language conventional feelings conventional situations and try to find a way to realise genuine experience **Greek Gods Abroad** Robert Parker, 2017-05-23 From even before the time of Alexander the Great the Greek gods spread throughout the Mediterranean carried by settlers and largely adopted by the indigenous populations By the third century b c gods bearing Greek names were worshipped everywhere from Spain to Afghanistan with the resulting religious systems a variable blend of Greek and indigenous elements Greek Gods Abroad examines the interaction between Greek religion and the cultures of the eastern Mediterranean with which it came into contact Robert Parker shows how Greek conventions for naming gods were extended and adapted and provides bold new insights into religious and psychological values across the Mediterranean The result is a rich portrait of ancient polytheism as it was practiced over 600 years of history Transactions of the Asiatic Society of Japan Asiatic Society of Japan, 2012 List of transactions v 1 41 in v 41 *Litterarische Echo* , 1923 **Cannabis** Chris Bennett, 2023-05-15 Although prohibited in most of the today s world cannabis and humanity have a shared history that extends far back into ancient times Evidence of its role in the production of cloth and rope goes back more than ten thousand years Its psychoactive properties have also long been known by humanity and ancient man attributed a supernatural force behind such effects Archaeological evidence of cannabis ritual use of cannabis dates back to 3500 BCE and it became considerably widespread Egyptians Assyrian Babylonian and Persians used cannabis in Temple rituals and for medical purposes as has long been acknowledged Although it has generally been seen that the neighbours of these cultures the ancient Hebrews whose religious history was recorded in the Bible s Old Testament and the Hebrew Tanakh rejected these practices However in 1936 a little known Polish anthropologist and etymologist put forth the controversial hypothesis that the Hebrew words *kaneh* and *kaneh bosm* identified cannabis and had been mistranslated as *calamus* This linguistic suggestion drastically changes the story of the Bible in a number of ways but it seemed destined to be an obscure linguistic hypothesis until 2020 when evidence from a 2800 year old temple site in tel Arad Jerusalem confirmed the ritual use of cannabis Among the ancient Hebrews The Cult of Śiva with Special Reference to the Dances of Śiva Tambyah Nadaraja, 1993 **Apologie des Christentums** , 1897 Alexander's Conquest of Indus Valley Āghā Salīmū, 2012 *Velhagen & Klasings Monatshefte* , 1925
