

SHOOT DON'T SHOOT

Shoot Dont Shoot

David M. Kennedy

Shoot Dont Shoot:

Don't Shoot David M. Kennedy, 2011-11-07 The remarkable story of David Kennedy's crusade to combat America's plague of gang and drug related violence with methods that have been astonishingly effective across the country. If you want to read a book on urban gangs and find out why they exist and why they kill each other, read this. This is a sociology book but it's like immersing yourself in *The Wire*. When Kennedy says something you believe him. Scotsman Gang and drug related inner city violence with its attendant epidemic of incarceration is the defining crime problem in our country. In some neighborhoods in America, one out of every two hundred young black men is shot to death every year, and few initiatives of government and law enforcement have made much difference. But when David Kennedy, a self-taught and then unknown criminologist, engineered the Boston Miracle in the mid 1990s, he pointed the way toward what few had imagined: a solution. *Don't Shoot* tells the story of Kennedy's long journey. Riding with beat cops, hanging with gang members and stoop sitting with grandmothers, Kennedy found that all parties misunderstood each other, caught in a spiral of racialized anger and distrust. He envisioned an approach in which everyone—gang members, cops, and community members—comes together in what is essentially a huge intervention. Offenders are told that the violence must stop, that even the cops want them to stay alive and out of prison, and that even their families support swift law enforcement if the violence continues. In city after city, the same miracle has followed: violence plummets, drug markets dry up, and the relationship between the police and the community is reset. This is a landmark book chronicling a paradigm shift in how we address one of America's most shameful social problems. A riveting, page-turning read, it combines the street verité of *The Wire*, the social science of *Gang Leader for a Day*, and the moral urgency and personal journey of *Fist Stick Knife Gun*. But unlike anybody else, Kennedy shows that there could be an end in sight.

Don't Shoot the Gentile James C. Work, 2011-11-03 When James Work took a teaching job at the College of Southern Utah in the mid 1960s, he knew little about teaching and even less about the customs of his Mormon neighbors. For starters, he did not know he was a Gentile—the Mormon term for anyone not a member of the Church of Jesus Christ of Latter-day Saints. But just as he learned to be a religious diplomat and a black market bourbon runner, he also discovered that his master's degree in literature apparently qualified him to teach journalism, photography, creative writing, advanced essay and feature article writing, freshman composition, and vocabulary building. With deadpan humor, Work pokes fun at his own naiveté in *Don't Shoot the Gentile*, a memoir of his rookie years teaching at a small college in a small, mostly Mormon town. From the first pages, Work tells how he navigated the sometimes tricky process of being an outsider, pulling readers, no matter their religious affiliation, into his universal fish-out-of-water tale. The title is drawn from a hunting trip Work made with fellow faculty members, all Mormons. When a load of buckshot whizzed over his head, one of the party hollered, "Don't shoot the Gentile! We'll have to hire another one!" Today, the College of Southern Utah is a university, and Cedar City, like most small towns in the West, is no longer so culturally isolated. James Work left in 1967 to pursue a doctorate, but his

remembrances of the place and its people will do more than make readers Mormon and non Mormon alike laugh out loud Work s memoir will resonate with anyone who remembers the challenges and small triumphs of a first job in a new strange place

Don't Shoot the Journalists Peter Laufer, 2025-05-06 Practicing journalism is dangerous Until the wars in Ukraine and Gaza broke out Mexico continued to rank as the deadliest locale for reporters with too many other countries close behind including Afghanistan Syria India and the Philippines More journalists have been killed in Gaza since October 2023 than during the entirety of World War II and the numbers of journalists killed injured or exiled from both Russia and Ukraine since the Russian invasion in 2021 continues to grow The University of Oregon staged the Extra Extra Refugee Journalists become the Story Migrating to Stay Alive conference in April 2024 with expert guest speakers refugee journalists academic experts and others who specialize in exiled journalist issues and threats to journalists and free expression The symposium brought Mexican refugee journalists in exile to the University of Oregon campus for keynote speeches followed by workshops with other experts in the fields of freedom of expression and threats to journalists These workshops led to student field work during the conference dates work regarding how the crises examined during the conference impact tools used by immigrants to obtain news from their countries of origin The material generated during the symposium plus ancillary reportage fuels the critical stories and conclusions told in the book Don t Shoot the Journalists

Don't Shoot Roxane Chadwick, 1978 A young Inuit Eskimo boy must decide between saving a polar bear or a cruel hunter

Calling the Shots Elizabeth Karre, 2014-08-01 Cherry has everything figured out she ll live peacefully with her grandma hang out with her BFF Tanaya and go to cosmetology school after she graduates If only Tanaya and her grandma would see it her way and stop fighting her about it When a cute boy says he can give her the gift of thought planting things start to come together But how far can her superpower take her before she needs to speak up for herself
