Shoot Out In Segovia:

The Steward Armando Abad, 2022-05-31 Gabriel Segovia hails from Laguna Philippines The youngest son of a wealthy family he was raised with Christian values of daily prayers respect humility and community service Everything is going well for him in his quest for a future as a mechanical engineer until his final year of college Broken with devastation when a freak accident takes his two childhood friends he is left wondering what he could have done to save them Under the provisions of the Military Bases Agreement between the United States and the Philippines Filipino nationals are recruited to serve as stewards on US Navy ships Most Filipinos enlist in the United States Navy for one purpose an opportunity for a better life But for Segovia it is different He feels the Navy might provide what he needs in search of a panacea for the emptiness and pain that haunt him With his family's blessing he enlists in the Navy And like most minorities he faces bigotry and abuse on board the ship However his commanding officer develops a certain admiration for him even inviting Gabriel to a life changing Thanksgiving dinner with his family Love abounds and as other family members grapple with their past the adventure leads us back to the Philippine islands in search of closure and new beginnings A deployment to the Western Pacific during the Vietnam War and a kidnapping motivated by vengeance push Gabriel to the limits of his endurance faith and call of duty His unquestionable courage his caring for the welfare of others his unselfishness and his devotion to God country and duty make him an inspiration to his family and his shipmates touching the lives of many and leaving behind a legacy to be shared with generations to come as he finds peace within himself
