Shopping Around Feminine Culture And The Pursuit Of Pleasure:

Shopping Around Hilary Radner, 1995 Shopping Around investigates the issues of contemporary popular narrative feminine pleasure and consumer culture viewing the permutations of the feminine subject as a textual construction evolved through everyday life A wide spectrum of texts are examined exposing the fact that women read within a complex and conflicted cultural arena characterized by a significant intertextuality that multiply defines femininity Shopping Around raises these issues in the context of everyday cultural practices such as applying make up reading magazines watching television and working out providing a unique introduction to postmodern feminist and cultural theory *Spaces of Culture* Mike Featherstone, Scott Lash, 1999-03-30 In Spaces of Culture an international group of scholars examines the implications of questions such as What is culture What is the relationship between social structure and culture in a globalized and networked world Do critical perspectives still apply or does the speed and complexity of cultural production demand new forms of analysis They explore the key themes in social theory the nation state the city modernity and reflexivity post Fordism and the spatial logic of the informational city The contributors go on to analyze the public sphere questioning the reductive representation of technology as a form of instrumentality and demonstrating how new technologies can offer new spaces of culture This analysis of public space is essential to an understanding of issues like global citizenship and multicultural human rights

Manufacturing Desire Arthur Asa Berger, 2017-07-12 The average person in America watches four hours of television per day and spends the equivalent of nine years of his or her life in front of the television set If the attention most people devote to popular culture listening to the news watching soap operas reading the comics were added up it would reveal that most people spend an enormous amount of time with popular culture which becomes in large measure their culture Manufacturing Desire is a study of how the mass media broadcast or spread various popular arts further how the media and popular arts play a major role in shaping our everyday lives The television shows we watch the movies we see the radio programs we listen to and all the comic strips we read influence social behavior They give us ideas about what is good and evil about how to solve problems and about how we should relate to others If we understand this says Berger then the way we think about our media influenced culture will be far different than if we see popular culture as mindless entertainment Berger provides an analysis of the way popular culture and the mass media simultaneously reflect and affect various aspects of American culture and society He examines commercials television shows comics film humor and everyday life in terms of what beliefs and values are found in them what attitudes toward ourselves and our societies are contained in them how they achieve their effects and what they reflect about present day American culture and society This book is analysis of the impact mass media have across America cross culturally and internationally Manufacturing Desire will provide the general reader as well as specialists in communication and information sociology and psychology with a better understanding of the effects of mass media and popular culture on contemporary society

Gender Space Architecture

Iain Borden, Barbara Penner, Jane Rendell, 2002-09-11 This significant reader brings together for the first time the most important essays concerning the intersecting subjects of gender space and architecture Carefully structured and with numerous introductory essays it guides the reader through theoretical and multi disciplinary texts to direct considerations of gender in relation to particular architectural sites projects and ideas This collection marks a seminal point in gender and architecture both summarizing core debates and pointing toward new directions and discussions for the future *The SAGE Handbook of Feminist Theory* Mary Evans, Clare Hemmings, Marsha Henry, Hazel Johnstone, Sumi Madhok, Ania Plomien, Sadie Wearing, 2014-08-12 At no point in recorded history has there been an absence of intense and heated discussion about the subject of how to conduct relations between women and men This Handbook provides a comprehensive guide to these omnipresent issues and debates mapping the present and future of thinking about feminist theory The chapters gathered here present the state of the art in scholarship in the field covering Epistemology and marginality Literary visual and cultural representations Sexuality Macro and microeconomics of gender Conflict and peace The most important consensus in this volume is that a central organizing tenet of feminism is its willingness to examine the ways in which gender and relations between women and men have been and are organized The authors bring a shared commitment to the critical appraisal of gender relations as well as a recognition that to think theoretically is not to detach concerns from lived experience but to extend the possibilities of understanding With this focus on theory and theorizing about the world in which we live this Handbook asks us across all disciplines and situations to abandon our taken for granted assumptions about the world and interrogate both the origin and the implications of our ideas about gender relations and feminism It is an essential reference work for advanced students and academics not only of feminist theory but of gender and sexuality across the humanities and social sciences The Public Arts Gilbert Seldes, 2021-11-18 First published in 1956 and then again in 1994 Seldes can be viewed as a pioneer of popularising and giving value to popular culture in his various publications since 1924 The Public Arts first published in 1956 starts with a letter to Jimmy Durante and Edward R Murrow in which Seldes suggests that news and entertainment are part of one field and that the lively arts and the mass media are two aspects of the same phenomenon which can be captured in the term the public arts Popular culture refers to the world of situation comedies comic strips MTV radio and television talk shows football games standup comedians mystery stories popular romance novels and so on Elite culture refers to operas ballets classical music masterworks of painting and sculpture serious novels and plays and other art forms that require generally speaking relatively sophisticated sensibilities Many critics now argue that it is now unauthenticated to argue that popular culture and elite culture are different *The Politics and Pleasures of Consuming Differently* Kate Soper, Martin Ryle, Lyn Thomas, 2009 Analyzing representations and practices of consumption in the Western world this book offers a perspective on the themes of counter consumerism ecological crisis and sustainability It is suitable for students in media cultural and literary studies as well as in sociology and environmental studies Frauen in der

Literaturwissenschaft, 1995 Delights, Desires, and Dilemmas Ann C. Hall, 1998-10-28 The question of the representation of women in the media has been an important one for feminists over the past three decades This diverse collection of essays represents three major trends in feminist media studies the liberal feminist perspective which focuses on the media's tendency to misrepresent and oppress women the postmodern perspective which illustrates the ways in which women can participate in enjoy and sometimes subvert the dominant media and the more recent attempts to identify and challenge the subtle backlash that threatens to obliterate feminist gains The contributors cover a wide range of subjects from advertisements for women's stockings to the life and death of Princess Diana **Exploring Osaka** David M. Dunfield, 1993 A comprehensive English language guide to the city of Osaka for business travellers and tourists alike Second only to Tokyo as a banking and trade centre of Japan Osaka is a centre of tradition and culture as well the home of bunraku puppet theatre for example and is minutes by rail from Japan's ancient capitals of Kyoto and Nara A variety of suggested sightseeing itineraries are included as well as recommended museums restaurants and hotels a list of festival dates and sources of additional information *The British National Bibliography* Arthur James Wells, 1998 *The Men's Fashion Reader* Peter McNeil, Vicki Karaminas, 2009 The Men's Fashion Reader brings together key writings in the history culture and identity of men's fashion The readings provide a balanced range of important methodological approaches primary research and significant case studies The book is organized into thematic sections covering topics such as history theory subculture iconic items of clothing consumption and the media Each section is introduced and concludes with an annotated guide to further reading With exciting illustrations of men's dress from a range of historical periods and including readings from key scholars and new writers across a wide range of fields The Men's Fashion Reader is the essential introduction to the subject
