Shepherds Speak American Bishops Confront The Social And Moral Issues That Challenge Christians Today:

Shepherds Speak Dennis M. Corrado, James F. Hinchey, 1986 *Theology and the New Histories* Gary Macy, 2018-05-17

Theology and the New Histories explores how Christianity as an historical religion is responding to the challenge of multiple readings of history women's history history written from the perspective of minority groups new sources of history including those that are non Western and deconstructionist history These new histories pose challenges to the assumptions of traditional theology They also affect our understanding of the history of Christianity and of the development of Christian doctrine Contributors include Terrence W Tilley Justo L Gonzales Michael Horace Barnes Vincent J Miller Elizabeth A Clark Barbara Green O P Ann R Riggs Donna Teevan James T Fisher Pamela Kirk Ann Coble Franklin H Littell Brian F Linnane and Margaret R Pfeil

The Two Churches Michael L. Budde, 1992 Budde contends that world Catholicism led by its Third World majority most notably in Latin America will continue to develop in an increasingly anticapitalist direction and he suggests that once dominant First World Catholic churches exemplified by the U S Catholic church are poorly placed to respond in solidarity with their coreligionists from the Third World Covering a wide range of theoretical and substantive matters The Two Churches examines religion as a source of both social legitimation and social rebellion It demonstrates the importance of ecclesiology a branch of theology dealing with theories of the church and it highlights the effect of capitalism on world Catholicism as well as the latter's influence on the development of the capitalist order

Modern Just War Theory Michael P. Farrell, 2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today's students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from competing ideologies as well as those presented by the changing nature of warfare Modern Just War Theory A Guide to Research by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell's guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary
