

The background of the entire image is a dark, atmospheric landscape. On the left, a large, leafless tree with a thick trunk and many thin, dark branches stands on a dark, uneven ground. The sky is a gradient of dark blue at the top, transitioning to a bright orange and yellow glow in the middle, suggesting a sunset or sunrise. The overall mood is mysterious and somber.

Shes Not There A Poppy Rice Novel:

She's Not There Mary-Ann Tirone Smith, 2014-05-27 In Poppy Rice's second venture the smart outspoken FBI agent's vacation is rudely interrupted by a sinister murder. FBI agent Poppy Rice is rather unwillingly taking time off to recuperate from injuries sustained on the job. A few days into her ill conceived vacation on Block Island with Joe her sometime lover and soul mate she happens upon a corpse dumped in the middle of the road. The body of the victim a young girl from a summer camp for overweight teenagers is painfully contorted her face frozen in a death scream. There are no visible wounds and the cause of death is a mystery. Although Poppy is no stranger to gruesome scenes she is so disturbed by the murder that she can't help but defy her orders to rest. Then just as she begins poking around another body is found in the same condition as the first. This time the pathologist reveals another similarity the eardrums of both girls were ruptured. Now Poppy must get to the killer before the killer gets to any more girls. With no clue as to the murderer's method or motive she's going to need all the help she can get. But in the close knit tight lipped Block Island community secrets are kept even deadly ones.

She's Not There Mary-Ann Tirone Smith, 2003 *Girls of Tender Age* Mary-Ann Tirone Smith, 2006-02-24 In *Girls of Tender Age* Mary Ann Tirone Smith fully articulates with great humor and tenderness the wild jubilation of an extended French Italian family struggling to survive in a post World War II housing project in Hartford Connecticut. Smith seamlessly combines a memoir whose intimacy matches that of Angela's Ashes with the tale of a community plagued by a malevolent predator that holds the emotional and cultural resonance of *The Lovely Bones*. Smith's Hartford neighborhood is small town America where everyone's door is unlocked and the school church library drugstore 5 10 grocery and tavern are all within walking distance. Her family is peopled with memorable characters her possibly psychic mother who's always on the verge of a nervous breakdown her adoring father who makes sure she has something to eat in the morning beyond her usual gulp of Hershey's syrup her grandfather who teaches her to bash in the heads of the eels they catch on Long Island Sound Uncle Guido who makes the annual bagna cauda and the numerous aunts and cousins who parade through her life with love and food and endless stories of the old days. And then there's her brother Tyler. Smith's household was different. Little Mary Ann couldn't have friends over because her older brother Tyler an autistic before anyone knew what that meant was unable to bear noise of any kind. To him the sound of crying laughing phones ringing or toilets flushing was a cloud of barbed needles flying into his face. Subject to such an assault he would substitute that pain with another he'd try to chew his arm off. Tyler was Mary Ann's real life Boo Radley albeit one whose bookshelves sagged under the weight of the World War II books he collected and read obsessively. Hanging over this rough and tumble American childhood is the sinister shadow of an approaching serial killer. The menacing Bob Malm lurks throughout this joyous and chaotic family portrait and the havoc he unleashes when the paths of innocence and evil cross one early December evening in 1953 forever alters the landscape of Smith's childhood. *Girls of Tender Age* is one of those books that will forever change its

China s twentieth century and filled with treachery and magic in the tradition of Ken Liu s Grace of Kings and N K Jemisin s
Inheritance Trilogy When Rin aced the Keju the Empire wide test to find the most talented youth to learn at the Academies it
was a shock to everyone to the test officials who couldn t believe a war orphan from Rooster Province could pass without
cheating to Rin s guardians who believed they d finally be able to marry her off and further their criminal enterprise and to
Rin herself who realized she was finally free of the servitude and despair that had made up her daily existence That she got
into Sinegard the most elite military school in Nikan was even more surprising But surprises aren t always good Because
being a dark skinned peasant girl from the south is not an easy thing at Sinegard Targeted from the outset by rival
classmates for her color poverty and gender Rin discovers she possesses a lethal unearthly power an aptitude for the nearly
mythical art of shamanism Exploring the depths of her gift with the help of a seemingly insane teacher and psychoactive
substances Rin learns that gods long thought dead are very much alive and that mastering control over those powers could
mean more than just surviving school For while the Nikara Empire is at peace the Federation of Mugen still lurks across a
narrow sea The militarily advanced Federation occupied Nikan for decades after the First Poppy War and only barely lost the
continent in the Second And while most of the people are complacent to go about their lives a few are aware that a Third
Poppy War is just a spark away Rin s shamanic powers may be the only way to save her people But as she finds out more
about the god that has chosen her the vengeful Phoenix she fears that winning the war may cost her humanity and that it
