Shield Of David The Story Of Israels Armed Forces:

Shield of David: The Story of Israel's Armed Forces Yigal Allon, 2019-08-09 Shield of David tells the history of the Jews armed forces from the Palestine Yishuv's first efforts at self defense in the early 1900s under the Ottoman Empire and the British Mandate during Israel's 1948 War of Independence the 1956 Suez Campaign and until the 1967 Six Day War In recent years most particularly since the Six Day War of June 1967 people throughout the world have asked themselves how it happened that the Israel Defence Forces won so resounding a victory over the Arab armies What suddenly endowed the Jewish people traditionally non martial with such impressive military skills What is the secret of the prowess of Israeli soldiers airmen and sailors The answer of course is that nothing happens suddenly that the modern story of Jewish self defence in the Land of Israel dates back some eighty years and is the result of the commitment and dedication to national survival of many men and women most of whom seeking no publicity received none This book is my attempt to tell part of that little known story as simply briefly and clearly as possible Yigal Allon Author's Note 1970 **Sie sind Bürger Israels**

Jim G. Tobias, 2007 Israeli Humor Elliott Oring, 2012-02-01 Derived from the Arabic word for lie the word chizbat was chosen by members of the Palmah to designate the particular form of narrative joke exchanged by these volunteer defenders of Jewish settlements in Israel during the uncertain years 1941-48 Elliott Oring concentrates his attention on how the chizbat represents the expression of a distinctly Israeli identity and the disparate elements of this identity sabra European Arab Israeli East West He shows how chizbat humor depends not so much on novelty or punch line as on displaying these incongruities of Israeli identity Oring also discusses the sociocultural context in which the chizbat developed and examines how various theories of humor apply to understanding the chizbat In an appendix invaluable for the folklorist Oring has translated hundreds of chizbat into English some are from written sources and others are verbal accounts he obtained during his months of research in Israel **The Armed Jew** Adam L. Fuller, 2025-06-30 In the face of rising anti Semitic violence and hate crimes The Armed Jew explores the essential role of gun ownership in the Jewish experience both historically and in contemporary society With rising threats to Jewish communities worldwide this book argues that the right to bear arms is not just a matter of self defense but an integral part of Jewish history and survival Despite the increasingly manifest threats to American Jews in particular they remain among one of the demographic groups that are least likely to own firearms which leaves them defenseless and further invites aggression Adam L Fuller argues that guns have been vital tools in protecting Jewish communities for centuries From the medieval self defense of Jewish settlements to Jewish gangsters vigilantes soldiers law officers and resistance efforts during the Holocaust guns have been crucial in the preservation of life and dignity Drawing on a careful study of Jewish sociocultural and religious traditions in dialogue with Jewish historical experience as well as conversations with Jewish gun owners Fuller makes a compelling argument for why Jews should embrace their right to own and carry firearms as part of their broader struggle for safety and autonomy The Armed Jew challenges assumptions

empowers Jewish communities and provides a thought provoking perspective on the intersection of faith identity and self defense in the modern world The Anatomy of the Israeli Army Gunther E. Rothenberg,1979 At the opening of the Geneva Peace Conference in December 1973 the American Secretary of State Dr Henry Kissinger observed that except for uneasy cease fires and armistices the Arab Israeli conflict constituted one continued war that had already lasted 25 years Despite the events that have taken place since that observation was made Israel Defence Force or IDF The central theme of this book is the evolution of the modern Israeli Army its organisation doctrines and special characteristics **The Israeli Arms Industry** Stewart Reiser,1989 *Neuerwerbungen und Bücherschau* Bibliothek für Zeitgeschichte (Germany),1972
