Shifting Tide A William Monk Novel:

The Shifting Tide Anne Perry, 2004-04-27 William Monk knows London's streets like the back of his hand. But the river Thames and its teeming docks where wharf rats and night plunderers ply their trades is unknown territory. Only Monk's dire need for work persuades him to accept an assignment from shipping magnate Clement Louvain to investigate the theft of a cargo of African ivory from Louvain's recently docked schooner the *Maude Idris*. But why didn't Louvain report the ivory theft directly to the River Police? Another mystery is the appearance of a desperately ill woman who Louvain claims is the discarded mistress of an old friend. Is she connected to the theft or to something much darker? As Monk endeavors to solve these riddles he can't imagine the trap that will soon so fatefully ensnare him.

The Angel Court Affair (Thomas Pitt Mystery, Book 30)

Anne Perry, 2014-09-11 With the nation's safety at stake, Thomas Pitt must face a lethal enemy. *The Angel Court Affair* is the thirtieth novel in Anne Perry's popular series featuring Thomas and Charlotte Pitt, along with favourite characters Vespasia and Narraway. Perfect for fans of C. J. Sansom and Ann Granger. Be prepared for another well-deserved vacation to Victorian London with Anne Perry as the most cunning tour guide you will ever need. She is one of the best. Bookreporter. When Commander Thomas Pitt is ordered to protect a young woman visiting London from Spain, he cannot see why this is a job for Special Branch. When she disappears in the dead of night from Angel Court, however, he is faced with a dangerous mystery. Sofia preached new and some say blasphemous religious ideals, and her life had been threatened. But Pitt senses there is some deeper and more dangerous reason for her kidnapping if that is what it is. Three men are caught up in the hunt for Sofia: her cousin, a banker for the Church of England, a popular and charismatic politician, and a journalist who seems determined to goad Pitt to the truth. Each seems to be hiding something, and as the search for answers stretches from London to Spain, Pitt knows that time is running out and the nation's security could be at stake. What readers are saying about *The Angel Court Affair*. A fascinating read. Anne Perry seems to get better and better as her series evolve. The characters remain fresh, and new insights are added. The atmosphere of turn-of-the-century London is so absorbing and tangible that you can almost feel
