Shi'ism and Social Protest Juan Ricardo Cole, Nikki R. Keddie, 1986 This timely and important book presents the first overview of Shi i political activism in the countries where it has been most significant from Iran and Lebanon to Saudi Arabia and Egypt The contributors present up to date information on the factors involved in Shi ism's recent movement away from quietism and toward an active involvement in politics They also discuss how Shi i political activism will affect the struggle in and for Lebanon the Iran Iraq war Soviet attitudes toward Afghanistan and Iran and U S policies toward the Middle East

The Most Learned of the Shi'a Linda S. Walbridge, 2001 The problem of who should succeed the Prophet has plagued the Islamic community since the time of his death The Shiites have decided on a successor but that does not solve who is the lawful marja or grand ayatollah of all the Shi a Women in the Middle East Nikki R. Keddie, 2012-08-09 Written by a pioneer in the field of Middle Eastern women s history Women in the Middle East is a concise comprehensive and authoritative history of the lives of the region s women since the rise of Islam Nikki Keddie shows why hostile or apologetic responses are completely inadequate to the diversity and richness of the lives of Middle Eastern women and she provides a unique overview of their past and rapidly changing present The book also includes a brief autobiography that recounts Keddie s political activism as one of the first women in Middle East Studies Positioning women within their individual economic situations identities families and geographies Women in the Middle East examines the experiences of women in the Ottoman Empire and Turkey in Iran and in all the Arab countries Keddie discusses the interaction of a changing Islam with political cultural and socioeconomic developments In doing so she shows that like other major religions Islam incorporated ideas and practices of male superiority but also provoked challenges to them Keddie breaks with notions of Middle Eastern women as faceless victims and assesses their involvement in the rise of modern nationalist socialist and Islamist movements While acknowledging that conservative trends are strong she notes that there have been significant improvements in Middle Eastern women s suffrage education marital choice and health The Failure of Political Islam Olivier Roy, 1994 For many Westerners ours seems to be the era of the Islamic threat with radical Muslims everywhere on the rise and on the march remaking societies and altering the landscape of contemporary politics In a powerful corrective to this view the French political philosopher Olivier Roy presents an entirely different verdict political Islam is a failure Even if Islamic fundamentalists take power in countries like Algeria they will be unable to reshape economics and politics and in the name of Islamic universalism will express no more than nationalism or an even narrower agenda Despite all the rhetoric about an Islamic way an Islamic economy and an Islamic state the realities of the Muslim world remain essentially unchanged Die Islamische Republik Iran als Gottesstaat Oliver Borszik, 2007 Magisterarbeit aus dem Jahr 2006 im Fachbereich Orientalistik Sinologie Islamwissenschaft Note 1 Universit t Hamburg Asien Afrika Institut 114 Quellen im Literaturverzeichnis Sprache Deutsch Abstract Die von Ayatollah Khomeini konzipierte und religi s sowie vernunftsm ig

I. Cole, 2024-11-28 In this pioneering study of the Twelver Shi i branch of Islam prevalent in Iraq and Iran Juan R I Cole traces the influence of Shi i rule on the development of religious communalism and conflict in the north Indian State of Awadh Oudh as well as the relationship of the Shi i clergy to the state and the clerical reaction to British imperialism and capitalism Based on research in rare manuscripts and in archives the book reveals that the Shi i clergy advocated policies that caused resentment among Sunnis and Hindus thereby promoting religious communalism and setting the stage for modern communal conflict The Shi i learned men took government posts in support of Awadh s Shi i nawabs and shahs Awadh state support in turn helped transform Shiism from a persecuted sect to a dominant if still minority religious establishment Sociologically the book draws attention to the specific role of the state in defining sect and church It also argues the importance of class divisions within the Shi i community showing that the dominant clerical ideology was often not accepted by the laboring strata Cole's study supports the view that Muslim communalism in northern India had genuine historical roots and was not simply an elite strategy of modern Muslim politicians Contrary to the arguments of some writers and to the image projected by Iran's current ayatollahs he argues that most Shi i clergy did not play a role of opposition to the state in premodern societies Islamischer Fundamentalismus. moderne Wissenschaft und Technologie Bassam Tibi,1992 Die Schiiten und der Kampf um den Libanon Andreas Die Schia und die Koranfälschung Rainer Brunner, 2001 Mūsā as-Sadr - schiitischer Geistlicher Rieck, 1989 **oder libanesischer Realpolitiker?** Esther Meininghaus,2008 Religionen im Nahen Osten: Irak, Jordanien, Syrien, Libanon Hannelore Müller, 2009 Diese religionswissenschaftliche Publikation f hrt in die religi se Pluralit t in ausgew hlten L ndern des Nahen Ostens ein Bei jeder Religionsgemeinschaft werden einheitlich religi se Lehre Religions bzw Kirchengeschichte pr sentiert In Band I kommen folgende religi se Gruppierungen zur Sprache im Irak Muslime Christen Juden Yeziden Mand er in Jordanien Muslime und Christen in Syrien Muslime Nusayrier Alawiten Christen im Libanon Christen Drusen Muslime Zum besseren Verst ndnis der Hintergr nde und Zusammenh nge beginnen die chronologisch dargestellten Religionsgeschichten mit der Entstehung der Religionsgemeinschaft wobei allerdings der inhaltliche Akzent auf dem 20 und 21 Jahrhundert liegt Mit dieser zusammenfassenden und auch fr Nicht Spezialisten verst ndlichen Arbeit soll zum einen die bislang fehlende M glichkeit gegeben werden einen leicht zug nglichen berblick ber die Religionsgemeinschaften im Nahen Osten zu gewinnen Zum anderen soll sie als Ausgangspunkt und Grundlage franschlie ende Detailforschungen dienen Der Balkan in Europa Eggert Hardten, André Stanisavljević, Dimitrios Tsakiris, 1996 Der
