Shining Tears:

God on Mute Pete Greig, 2011-04-07 Pete Greig the acclaimed author of Red Moon Rising has written his most intensely personal and honest account yet in God on Mute a book born out of his wife Samie's fight for her life and diagnosis of a debilitating brain tumor Greig asks the timeless questions of what it means to suffer and to pray and to suffer through the silence because your prayers seem unanswered This silence Greig relates is the hardest thing The world collapses Then all goes quiet Words can't explain don't fit won't work People avoid you and don't know what to say So you turn to Him and you pray You need Him more than ever before But somehow even God Himself seems on mute In this heart searching honest and deeply profound book Pete Greig looks at the hard side of prayer how to respond when there seem to be no answers and how to cope with those who seek to interpret our experience for us Here is a story of faith hope and love beyond all understanding

Slivers of Life Yusef Saee, 2016-05-11 No matter if you are broken hearted or happy in life and no matter where you are the lessons taught in this book offer a unique taste of contentment solace and joy Slivers of Life pieces together the puzzle of felicity in a simple yet magnetic manner

The Praying Life Deborah Smith Douglas, 2003-07-01 An invitation to a more participatory relationship with God through the power of prayer Nothing is more remarkable or more beautiful than an ordinary life quietly transformed by prayer This is the life that Deborah Smith Douglas chronicles and invites readers into in her lovely collection of essays and poems Drawing from events as simple as breakfast with her five year old daughter or waiting in line at the post office Douglas shows how a loving relationship with God can be nurtured in small ways every day Without my ever really intending it she writes my own life as a wife and mother daughter and friend has taught me to see God hidden in the ordinary to watch for God under the surface of things as a fisherman watches for fish Woven into each of these pieces along with reflections on the author's experiences are guidelines for readers watching for God in their own unique and ordinary lives Divided into four sections Ways of Praying Healing Spiritual Companionship and Fruitfulness The Praying Life will help Christians move from awareness of God's presence in their lives to a deep participation in God's love

Follow the Healer Stephen Seamands, 2023-09-05 Follow the Healer provides those in ministry with a practical theology of healing helping you understand how Jesus heals and why we still need to participate It's easy to fall into one of two extremes when it comes to Christian healing outright skepticism on one side and abuse on the other Many of us have a lot of good and difficult questions What is Christian healing ministry supposed to look like How do we go about it What forms and expressions should it take and how do we evaluate it How do we determine whether the healing ministry we are involved in is in keeping with what Jesus intended Starting from the assumption that Jesus does heal in our day and age Follow the Healer seeks to answer these questions with a balanced pastoral and scriptural approach This is a call to help you better understand and minister God's healing to a world that is in so much pain You'll take a closer look at why Christian healing is still relevant and essential today and how to avoid the many difficulties disappointments and distortions that occur in healing ministry

Stephen Seamands draws upon over three decades of teaching theology and active involvement in healing ministry to help you grasp the why to of healing that comes before the how to This holistic Wesleyan approach to healing will help traditional evangelicals more readily embrace healing ministry and lead Pentecostals and charismatics already engaged in this ministry to move toward a more discerning approach to healing The Lamentation of Mary Magdalene Bertha Marian Skeat,1897
