## Shining Like The Sun:

*The Destroyer and the Lamb* Matthias Reinhard Hoffmann, 2005 Matthias Reinhard Hoffmann identifies an angelomorphic portrait of Christ in certain passages of Revelation and provides possible reasons for the inclusion of an angelomorphic Christology. Angelomorphic Christology is not regarded as an isolated christological concept. In turn the author compares angelomorphic Christology with the prominent Lamb Christology of Revelation. A comparison of these concepts reveals that both Lamb and angelomorphic Christology serve the purpose of contrasting different functions of Christ. The functions correspond with the implied perception of Christ by his followers on the one hand and his opponents on the other. Accordingly Christ appears to be an eschatological juridical figure described in angelomorphic patterns to his opposition while he is perceived as salvific redeemer in form of the Lamb by those who believe in him. Such a christological perspective draws on traditions from the Exodus narrative namely the features of the Passover Lamb and the Destroying Angel. Further equality between God and Christ is established despite an angelomorphic portrait of Christ especially those passages describing Christ as the Lamb put him on par with God. But also within visions with an angelomorphic description of Christ his status as superior to angels and as an equal to God is displayed. The Jewish Popes Leon G. Van Wert, 2009-10 Will we ever see peace in the Middle East? If so how will it come about? Currently negotiations are in the works for the creation of an independent Palestinian State. However it will be located in part of the land which Orthodox Jews believe was set aside by God exclusively for the Jews. They contend that the Israelites under Moses covenanted with God never to let non-Jews live in any part of the Promised Land. They further believe that a breach of this sacred Covenant will lead to divine curses for the disobedient Jews including the conquest of Israel by her enemies and the deportation of the surviving Jews to foreign lands. Dr Leon G van Wert now has written a new and exciting eschatological work which clearly shows that the creation of a new non-Jewish Palestinian State within the boundaries of the Promised Land will bring us one pivotal step closer towards the End Times. Using the Old Testament as his guide to interpreting the book of Revelation Dr van Wert has unlocked this mysterious book of the Bible. When is the end? The end is near says the author when after the creation of an independent State of Palestine the Cardinals elect two successive Jewish Popes. **Living with Hope** Dwight A. These short essays on Christian living will bless you and make you a stronger, wiser person. Flowers of fancy, a collection of similes taken from various authors, by H.
