Shipping A Survey Of Historical Records:

Shipping Peter Mathias, Alan William Halliday Pearsall, 1971 A brief index to the shipping lines of Great Britain the records they held and the access to these records **Transport Policy: Learning Lessons from History** Colin Divall, Julian Hine, 2017-05-15 The key aim of this volume is to demonstrate ways in which an understanding of history can be used to inform present day transport and mobility policies This is not to say that history repeats itself or that every contemporary transport dilemma has an historical counterpart rather the contributors to this book argue that in many contexts of transport planning a better understanding of the context and consequences of past decisions and processes could lead to more effective policy decisions Collectively the authors explore the ways in which the methods and approaches of historical research may be applied to contemporary transport and policy issues across a wide range of transport modes and contexts By linking two bodies of academic research that for the most part remain separate this volume helps to inform current transport and mobility policies and to stimulate innovative new research that links studies of both past and present mobilities **Historic Cultural Land Use Study of Lower Cape Cod** Richard D. Holmes, 1998 **Studies in British Transport History, 1870-1970** Derek Howard Aldcroft, 1974 Monthly Catalogue, United States Public Documents, 1995-10 **Walford's Guide to Reference Material: Science and technology** Albert John Walford, 1993 Cette bibliographie commentée touche tous les domaines du savoir humain soit de l'Art à la Zoologie elle signale les ouvrages les plus importants soit des bibliographies des index des encyclopédies des dictionnaires des guides des revues etc dont le support d'information est soit du papier soit un cd rom soit une base de données en ligne directe soit un microforme ect L'objectif du guide Walford est de devenir La source d'information sur tout type de référence nonobstant le support technique **Shipbuilding and Shipping Record**, 1914 **Working Paper Series**, 1996 *The Publishers' Circular and General Record of British and Foreign Literature*, 1873 **Actes du 9e Congrès International des Archives**, 1982 Vols for 1950 include Actes of the Congress International des Archives **Preliminary [and Final] Report[s] of the Commissioners, Minutes of Evidence, and Appendix [etc.]** Great Britain.
