Watson, 2018-10-20 A collection of haunting legends delightful yarns and spine tingling ghost stories Swathed in mist surrounded by the secretive sea wind wailing like the lost souls of sailors around its shores Prince Edward Island is the ideal setting for the strange and incredible even the supernatural Islanders have handed down from one generation to the next many legends and ghost stories of visiting spirits buried pirate treasure sea serpents and ghostly apparitions Who dares to doubt the veracity of the sailors who met a phantom schooner the fishermen who fled from a sea monster or the countless Islanders who have dug for pirate gold only to be terrified by something uncanny and to have abandoned their search Curl up on a dark night with this new second edition and find yourself transported to the magical and mysterious Prince Edward Island *A.B. Simpson and the Making of Modern Evangelicalism* Daryn Henry, 2020-01-09 A shrewd synthesizer gifted popularizer and inspiring founder of the Christian and Missionary Alliance movement A B Simpson 1843-1919 was enmeshed in the most crucial threads of evangelical Christianity at the turn of the twentieth century Daryn Henry presents Simpson's life and ministry as a vivid fascinating and paradigmatic study in evangelical religious culture during a time when the conservative wing of the movement has often been overlooked Simpson's ministry Henry explains fused the classic evangelical emphasis on revivalist conversion with the intensification of that sensibility in the quest for the deeper Christian life of holiness Recovering the practice of divine healing Simpson emphasized a dynamically empowered and supernaturally animated Christianity that would spill over into nascent Pentecostalism His encouragement of cross cultural missions was part of a trend that unleashed the dramatic rise of world Christianity across the Global South All the while his Biblical literalism antagonism to modernist theology campaigns against evolution and views on premillennialism Biblical prophecy and the role of Israel in the end times made Simpson a precursor of the fundamentalist melees of subsequent decades From his upbringing in rural Canada and confessional Scottish Presbyterianism Simpson journeyed into the heart of American evangelicalism revolving around his base in New York City Against most previous writing on Simpson Henry's biography presents both continuities and discontinuities in the development of modern interdenominational
