he learned the meanings of love and art His human mentor opened doors that he never even dreamed existed as the title character says to her nephew in Auntie Mame As Schiap turned into a genuine passion she became a golden thread that led to all sorts of discoveries encounters and inspirations over the next forty years A wealthy orphan with a glamorous but complicated background BillyBoy adopted the legendary designer as a guardian angel of sorts and has spent a lifetime searching for her through her clothes Inspired by Shocking Life Schiaparelli s own memoir FROCKING LIFE will resonate with anyone who loves fashion and flamboyant storytelling Built around some of the most iconic pieces ever created by the designer this book is about endless discoveries and the meaning that can be transmitted across decades by a simple piece of clothing Peopled by dazzling characters from Schiaparelli s own inner circle and the worlds of art and fashion Saint Laurent Vreeland Warhol to name a few this is a scintillating yet profound homage to a woman who saw life as art and inspired a young boy to do the same BillyBoy has always been a strange fruit and it must be said not everyone could have a bite of it The press adored him since he was as author Edmund White wrote good copy In fact his thrilling journey through fashion culture and art are deeply tied to what he wore for each occasion One day it is a skintight silver lam studded outfit by Nudie Cohen the designer of Elvis Presley s elaborate ensembles which was originally made for David Cassidy For a tea with the Begum Aga Khan at the Ritz he played the part of the dandy in a conservative suit with impeccable tie topped by a Vivienne Westwood Malcolm McClaren Buffalo hat adorned with a silk lettuce leaf For an interview at home with German Vogue he transformed into a sex kitten in hot pants and an Yves Saint Laurent sheer blouse This book is both BillyBoy s personal story of his intense spiritual and metaphysical journey through life and also his authoritative insight into the life and work of Elsa Schiaparelli who became such an influence on him As an historian and collector his close examination of the milieu of European and American Scandinavian and Asian high fashion and his detailed research into Schiaparelli s haute couture seasonal collections and her vast number of licensed fashion and accessories will appeal not only to fashionistas and haute couture devotees and collectors It explores their relationship to her era through the many friendships and relationships with the iconic people in fashion he forged over four decades Anecdotes of varied stars in all aspects of culture will interest those who study 20th century art and history

**Vogue on: Elsa Schiaparelli** Judith Watt, 2012-09-13 Shocking witty and eccentric the designs of Elsa Schiaparelli are among the most innovative and influential in the history of fashion Black gloves with golden fingernails buttons shaped like lips trompe l oeil images brightly coloured zips and perfume bottles in the shape of a torso would not be out of place in fashion today but they were created by Schiaparelli in the 1930s A true original she collaborated with artists such as Salvador Dali and Man Ray pioneered the runway show and designed costumes for film stars from Mae West to Marlene Dietrich She used film and stage as a publicity vehicle for her label and her advertising graphics were far ahead of their time Through the photographs and illustrations of Vogue that championed Schiaparelli from the first picture of her revolutionary Bow knot sweater in 1927 to the Surrealist Tears dress and Shoe hat of the late 1930s Elsa

Schiaparelli presents the enduring legacy of this daring and visionary designer Vogue the international fashion bible has charted the careers of designers through the decades Its unique archive of photographs taken by the leading photographers of the day from Cecil Beaton to Mario Testino and original illustrations together with its stable of highly respected fashion writers make Vogue the most authoritative and prestigious source of reference on fashion With a circulation of over 160 000 and a readership of over 1 400 000 no brand is better positioned to present a library on the great fashion designers of the modern age
