day or night This book tells the story of our life since we though we retired in 1993 All the stories are true I wrote the poems and put together the facts about cats and how they became pets and companions that enriched our lives The idea for a cat museum had been in our minds since we learned that there were none in America and we began buying items for a museum But it wasn't until 2017 that we were able to open a small cat museum in one room of a local antique mall and we learned that cat people did indeed want to visit a cat museum and people from all over the world have come to visit I hope I live forever but my wife died at age 87 so it is unlikely I will live forever and when I do I hope all the people who love cats will come together and help the museum live on after me with donations to the cause Information of how you can help can be found on the last few pages on this book Please buy a copy learn more about your cats and help the museum to live on into the future to educate and entertain cat lovers in the near and far future
