Short History Of The Hebrews To Roman Pe:

A Short History of the Hebrews to the Roman Period Robert L. Ottley, 1904 History and the Hebrew Bible Hans M. Barstad, 2008 In this collection of essays Hans M Barstad deals thoroughly with the recent history debate and demonstrates its relevancy for the study of ancient Israelite history and historiography He takes an independent stand in the heated maximalist minimalist debate on the historicity of the Hebrew Bible Vital to his understanding is the necessity to realize the narrative nature of the ancient Hebrew and of the Near Eastern sources Equally important is his claim that stories too may convey positivistic historical facts The other major topic he deals with in the book is the actual history of ancient Judah in the Neo Babylonian and Persian periods Here the author makes extensive use of extant ancient Near Eastern sources both textual and archaeological and he puts much weight on economic aspects He shows that the key to understanding the role of Judah in the 1st millennium lays in the proper evaluation of Judah and its neighbouring city states within their respective imperial contexts A proper understanding of the history of Judah during the 6th century BCE consequently can only be obtained when Judah is studied as a part of the much wider Neo Babylonian imperial policy

Rutgers, 2015-08-24 The Jews in Late Ancient Rome focusses on the Jewish community in third and fourth century Rome and in particular on how this community related to the larger non Jewish world that surrounded it The book s point of departure is a refutation of the disputable thesis that Roman Jews lived in complete isolation The book examines Jewish archaeological remains and Jewish funerary inscriptions from Rome from various angles and compares them with Pagan and early Christian material and epigraphical remains In the last part the author concentrates on an enigmatic legal treatise entitled the Collatio identifying its author and exploring the implications of this identification This study proposes a new way in which the relationship between Jews and non Jews in late antiquity can be studied *A Short History of the Hebrews to the Roman Period* Robert Lawrence Ottley, 1938 **History of the Hebrew Commonwealth** Johann Jahn, 1828 **From**
