past and demographics were essential to the portrayal of the oil spill as momentous Moreover well off and influential Santa Barbarans were positioned to domesticate the larger environmental movement by embodying the argument that individual homes and families not society as a whole needed protection from environmental abuses This soon would put environmental rhetoric and power to fundamentally conservative not radical ends **American Architect** ,1897 Catalog of the Avery Memorial Architectural Library of Columbia University Avery Library,1968 **The American Architect and Building News** ,1897 *American Architecture* Sheryl L.
