Sacred Scriptures Of World Religion 3ed:

Sacred Scriptures of the World Religions Joan Price, 2010-02-17 Price examines religions across the world offering an insight into each tradition's views of the world through their scriptural texts and spiritual practices *Nectar #3* Babaji Bob Kindler, Lex Hixon, Swami Sunirmalananda, Swami Ranganathananda, Annapurna Sarada, Rabbi Ariel Stone-Halpern, Rabbi Rami Shapiro, Llewellyn Vaughn Lee, 2001-06-07 This installment of Nectar is dedicated to the auspicious boon and blessing of sacred scripture. In Vedic tradition scripture is seen as something revealed rather than written wisdom inherent in Consciousness instead of something created by the mind. It is nitya anadi and apaurasheya eternally present and accessible without beginning or end and not ascribable to human authorship. Other viewpoints consider that these sacred teachings come from Ishvara God's presence in the universe or that the actual knowledge comes from God while the language is supplied by luminaries. Finally one school believes that scripture is only a product of the finest human intellect. Whatever the case may be these teachings are very valuable to all who would cross the ocean of birth and death samsara and establish themselves in their undying and immortal essence **Theological Renewal for the Third Millennium** Veli-Matti Karkkainen, 2022-08-12 Amos Yong has stated that Veli Matti Karkkainen has become one of the more important theologians to be reckoned with in our time. This becoming has developed over the course of many decades with prolific contributions in essays, monographs, lectures and other mediums. The goal of this book then is to offer a curated selection of Karkkainen's essays for both new and established reader of Karkkainen. This volume offers an accessible introduction to Karkkainen's diverse contribution for readers who are only familiar with his popular survey texts or are new to his work overall. And yet for those familiar with his theology this volume provides insights into the journey his theological contributions have taken over the last fifteen years and serves as a kind of intellectual storyboard leading into his five volume constructive systematics. In sum this book seeks to offer a wide ranging taste of Karkkainen's trajectory that will inspire more research into his work and ever more attention to his important constructive contributions to global twenty first century theology *The Popular Handbook of World Religions* Daniel J McCoy, 2021-03-23 A Christian's Guide to the World's Most Prominent Religions Meeting people from other religions is an incredible blessing and a unique challenge.
