## The Book Report

Noah really liked reading. It was his favorite thing to do. But one day, his teacher said they would all give a report in front of the class about their favorite book.

Noah got a bit nervous. Even though he loved books, talking in front of everyone made him feel scared.

When the big day came, Noah felt his heart beat in his chest. He stood in front of his friends, and his hands were sweaty. His face turned a bit red, and the words in his head got mixed up, making it hard to talk.

Noah talked about his book, *The Tiger Rising*, but he forgot some words. Some friends looked at him oddly, and that made him more worried. He thought they were making fun of him.

But then, something nice happened. Some friends gave him a thumbs up. His teacher gave him a smile too, making him feel a bit better. Maybe he could do this. And he did!

Noah's friend Elena came up and said, "I feel nervous too, but you did great!" That made Noah feel happy. He learned that it's okay to feel nervous sometimes and make mistakes.

Noah learned that talking in front of others might be a little scary, but it could also be a chance to share something he loved. With each talk, Noah felt better, and the nerves went away.
