stranger spaces characters are forced to either perpetually attempt to assimilate or inhabit this interstitial stranger identity that is often viewed as a nowhere or homeless space Those who pursue assimilating endlessly try to fit in to no avail such as Jenny Schecter from Showtime s popular The L Word who is ultimately killed off on the show possibly murdered by her LGBTQIA community of friends Karp shows that those who attempt to make a home in a stranger positionality align themselves with other estranged and othered peoples such as characters throughout Sarah Schulman s novels and that this constitutes an ethical stance against the ways in which assimilation often inadvertently supports the workings of violent hegemonies in the United States **Emmy** ,2009 **Mediaweek** ,2010 **Brandweek** ,2010-07 **The Essential**
